

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: SRP Sub, LLC  
DOCKET NO.: 15-39630.001-R-1 through 15-39630.002-R-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are SRP Sub, LLC, the appellant, by attorney Abby L. Strauss, of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

<b>DOCKET NO</b>	<b>PARCEL NUMBER</b>	<b>LAND</b>	<b>IMPRVMT</b>	<b>TOTAL</b>
15-39630.001-R-1	33-05-105-032-0000	1,932	5,584	\$7,516
15-39630.002-R-1	33-05-105-052-0000	499	435	\$934

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of frame construction with 1,104 square feet of living area. The dwelling was constructed in 1972. Features of the home include a full unfinished basement, central air conditioning and a two and one-half car garage. The property has a 5,521 square foot site and is located in Lansing, Bloom Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on November 19, 2013 for a price of \$84,500.

The appellant's attorney also argued that the subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under docket number 14-31585.001-R-1 through 14-31585.002-R-1. In that appeal the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$8,450 based on the evidence submitted by the parties. The appellant's attorney asserted that 2014 and 2015 were within the same general assessment period for residential property and that the previous decision should remain in effect for the remainder of the general assessment period as provided by section 16-185 of the Property Tax Code (35 ILCS 200/16-185). Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the prior year's decision.

The board of review submitted its "Board of Review Notes on Appeal". The subject's total assessment of \$9,202 reflects a market value of \$92,020 or \$83.35 per square foot of living area, land included, when using the level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on three equity comparable, one of which sold in April 2012 for \$131,000 or \$108.44 per square foot of living area, land included.

The appellant's attorney submitted rebuttal reiterating the request to have the 2014 Property Tax Appeal Board's decision be rolled over to the tax year 2015.

### Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

As to the appellant's attorney's request to have the 2014 Property Tax Appeal Board's decision be rolled over to the tax year 2015, the Board finds the subject of the appeal is not subject to the "rollover" provision provided by section 16-185 of the Property Tax Code (35 ILCS 200/16-185). Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence **occupied by the owner** is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board finds that the appellant's attorney did not indicate whether the subject is owner-occupied and the record is void as to whether the subject property is owner-occupied. In

addition, the documents of ownership in this record reveal that the subject is owned by a limited liability company, which further detracts from the possibility that the subject is owner-occupied.

Nevertheless, the Board finds the best evidence of market value to be the purchase of the subject property in November 2013 for a price of \$84,500. In support of the transaction the appellant submitted a copy of the sales contract and settlement statement. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. The Board gave less weight to the board of review's equity grid analysis as this evidence is not responsive to the overvaluation argument brought by the appellant. In addition, the April 2012 sale that the board of review did submit occurred greater than 32 months prior to the January 1, 2015 assessment date. Based on this record the Board finds the subject property had a market value of \$84,500 as of January 1, 2015. Since market value has been determined the level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
