

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Philip Preston  
DOCKET NO.: 15-39687.001-R-1 through 15-39687.002-R-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Philip Preston, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

<b>DOCKET NO</b>	<b>PARCEL NUMBER</b>	<b>LAND</b>	<b>IMPRVMT</b>	<b>TOTAL</b>
15-39687.001-R-1	04-13-400-015-0000	29,992	2,491	\$32,483
15-39687.002-R-1	04-13-400-016-0000	20,193	75,123	\$95,316

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of masonry construction with 4,419 square feet of living area. The dwelling is 13 years old. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a two-car garage. The property has a 40,387 square foot site and is located in Northfield, Northfield Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends improvement assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables that were located within the same neighborhood code as the subject property. The comparables were similar two-story dwellings of frame or frame and masonry construction containing from 3,542 to 3,702 square feet of living area. The dwellings range in age from 10 to 25 years old. Two

comparables have full or partial basements that are unfinished and two have full finished basements. Other features of the comparables include central air conditioning, a fireplace and two-car garages. The comparables have improvement assessments ranging from \$16.46 to \$17.27 per square foot of living area.

Based on this evidence the appellant requested the subject's total improvement assessment be reduced to \$77,614 or \$17.56 per square foot of living area.

The appellant's submission revealed that the subject had a total improvement assessment of \$81,089, which equates to \$18.35 per square foot of living area.

The board of review did not timely submit any evidence in support of the assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code 1910.40(a) & 1910.69(a)).

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of assessment equity to be the appellant's comparables. These comparables had improvement assessments that ranged from \$16.46 to \$17.27 per square foot of living area. The subject's improvement assessment of \$18.35 per square foot of living area falls above the range established by the only comparables in this record. Based on this record the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
