

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Montgomery C. Hayes
DOCKET NO.: 15-39770.001-R-1
PARCEL NO.: 20-17-421-023-0000

The parties of record before the Property Tax Appeal Board are Montgomery C. Hayes, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,861
IMPR.: \$100
TOTAL: \$2,961

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

ANALYSIS

The subject property is improved with a two-story multi-family dwelling of frame construction with 1,596 square feet of living area. Features include a full unfinished basement, and a 2.5-car garage. The dwelling was constructed in 1890, has a 6,073 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. In support of this overvaluation argument the appellant submitted seven comparable sales with varying degrees of similarity to the subject. The comparables sold from May 2014 to October 2015 for prices ranging from \$4,500 to \$18,500 or from \$2.55 to \$11.59 per square foot of living area, including land. The appellant also submitted a copy of the final decision issued by the Property Tax Appeal Board for the prior year under Property Tax Appeal

Board Docket Number 14-22135.001-R-1 which established a total assessment for 2014 of \$1,755. The appellant's petition depicts the subject's 2015 total assessment of \$14,632, which reflects a market value of approximately \$146,320 or \$91.68 per square foot of living area, including land, using the Cook County Real Property Assessment Classification Ordinance level of assessments for class 2 property of 10%. Based on this evidence the appellant requested the subject's assessment be reduced to \$2,961 to reflect a market value of \$29,610.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3rd Dist. 2002). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value in the record are the comparables sales submitted by the appellant. The comparable sales sold for prices ranging from \$2.55 to \$11.59 per square foot of living area, including land. The Board finds the subject's assessment reflects a market value greater than the comparable sales presented by the appellant. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. Based on this record the Property Tax Appeal Board finds a reduction in the subject's assessment commensurate with the appellant's request is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
