

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Katie Deroche
DOCKET NO.: 15-39781.001-R-1
PARCEL NO.: 01-02-400-002-0000

The parties of record before the Property Tax Appeal Board are Katie Deroche, the appellant, by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$35,392
IMPR.: \$61,198
TOTAL: \$96,590

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a two-story masonry dwelling containing 5,008 square feet of living area. The subject is approximately 27 years old, features air conditioning, two fireplaces and a 3.5-car garage. The subject is situated on a 141,570 square foot site and is located in Barrington Hills, Barrington Township, Cook County. The subject is classified as a class 2-09 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends the assessment of the subject property is inequitable. In support of this argument the appellant submitted descriptions and assessment information on five comparables. The data provided by the appellant indicated the comparables had improvement assessments ranging from \$9.27 to \$12.22 per square foot of living area. The appellant submitted a copy of the final decision issued by the Property Tax Appeal Board establishing a total 2014 assessment of \$96,590. The appellant also indicated the subject had a 2015 improvement assessment of \$67,124 or \$13.40 per square foot of living area. Based on this evidence the appellant requested the subject's assessment be reduced.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

The appellant contends assessment inequity as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessments by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). The evidence must demonstrate a consistent pattern of assessment inequities within the assessment jurisdiction. After an analysis of the assessment data the Board finds a reduction is warranted.

The appellant in this appeal submitted assessment information on five assessment comparables to demonstrate the subject was inequitably assessed. These comparables had improvement assessments that ranged from \$9.27 to \$12.22 per square foot of living area. The subject has an improvement assessment of \$13.40 per square foot of living area, which is above the range established by the comparables. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. Based on this record the Property Tax Appeal Board finds a reduction in the subject's assessment commensurate with the appellant's request is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
