

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Difatta  
DOCKET NO.: 15-39798.001-R-1  
PARCEL NO.: 06-07-402-222-0000

The parties of record before the Property Tax Appeal Board are Robert Difatta, the appellant, by Louis Capozzoli, Attorney at Law in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$322  
**IMPR.:** \$4,493  
**TOTAL:** \$4,815

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property is improved with a two-story brick and masonry dwelling containing 1,070 square feet of living area. The subject is approximately 32 years old and features a full finished basement, central air conditioning and a fireplace. The subject is located on an 805 square foot site. The subject is classified as a class 2-95 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. In support of this overvaluation argument the appellant submitted six comparable sales with varying degrees of similarity to the subject. The comparables sold from December 2010 to March 2013 for prices ranging from \$47,500 to \$57,900 or from \$44.39 to \$54.11 per square foot of living area. The appellant also submitted a copy of the final decision issued by the Cook County Board of Review establishing a total assessment for the subject of \$9,017, which reflects a market value of approximately \$90,170 using the Cook County Real Property Assessment Classification Ordinance level of assessments for class 2 property of 10%. The appellant also submitted a copy of the subject 2014 Final Administrative Decision issued by the Property Tax Appeal Board wherein the subject's 2014 assessment was reduced to \$4,815 based on an agreement of the parties. Based on this evidence the appellant requested the subject's assessment be reduced.

The board of review did not timely submit its "Board of Review Notes on Appeal" or evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3<sup>rd</sup> Dist. 2002). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value in the record is the comparable sales submitted by the appellant. The comparables sold from December 2010 to March 2013 for prices ranging from \$47,500 to \$57,900 or from \$44.39 to \$54.11 per square foot of living area. The Board finds the subject's assessment reflects a market value greater than the comparable sales presented by the appellant. The board of review did not timely submit its evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. Based on this record the Property Tax Appeal Board finds a reduction in the subject's assessment commensurate with the appellant's request is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
