

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Olympia Haidos
DOCKET NO.: 15-39847.001-R-1
PARCEL NO.: 20-17-221-024-0000

The parties of record before the Property Tax Appeal Board are Olympia Haidos, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,710
IMPR.: \$214
TOTAL: \$1,924

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a two-story multi-family dwelling containing 3,114 square feet of living area. The subject is of masonry construction and is approximately 107 years old. The subject features a full unfinished basement and is located on a 4,166 square foot site located in Lake Township, Cook County. The subject is a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. In support of this overvaluation argument the appellant submitted five comparable sales with varying degrees of similarity to the subject. The comparables sold from September 2014 to October 2015 for prices ranging from \$12,000 to \$27,000 or from \$4.75 to \$7.89 per square foot of living area, including land. The appellant also submitted a copy of the final decision issued by the Property Tax Appeal Board under Docket Number 14-34521.001-R-1 wherein the Property Tax Appeal Board reduced the subject's assessment to \$4,983. The appellant indicated the subject's 2015 assessment was \$17,381 which reflects a market value of approximately \$173,810 under the Cook County Real Property Assessment Classification Ordinance level of 10% for class 2 property. Based on this evidence the appellant requested the subject's assessment be reduced.

The board of review did not timely submit its "Board of Review Notes on Appeal" or timely submit any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3rd Dist. 2002). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value in the record are the comparables submitted by the appellant with comparables #1, #3 and #5 being most similar to the subject. Less weight was given appellant's comparables #2 and #4 because of their size when compared to the subject. The most similar comparables sold for prices ranging from \$15,000 to \$27,000 or from \$5.53 to \$7.89 per square foot of living area, including land. The subject's assessment reflects a market value of \$55.82 per square foot of living area, including land, which is greater than the best comparable sales in this record. The board of review did not timely submit its evidence in support of its assessment of the subject property or timely refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. Based on this record the Property Tax Appeal Board finds a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
