

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Justin Block  
DOCKET NO.: 15-39888.001-R-1  
PARCEL NO.: 13-14-317-006-0000

The parties of record before the Property Tax Appeal Board are Justin Block, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$8,505  
**IMPR.:** \$17,715  
**TOTAL:** \$26,220

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story multi-family dwelling of masonry construction with 2,444 square feet of living area. The dwelling is approximately 100 years old. Features of the home include a full unfinished basement and a two-car garage. The property has a 4,725 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on March 21, 2014 for a price of \$262,200. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review did not timely submit its "Board of Review Notes on Appeal". The subject had a total assessment of \$34,513. The subject's assessment reflects a market value of \$345,130, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the purchase of the subject property in March 2014 for a price of \$262,200. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant's evidence revealed the parties to the transaction were not related, the property was sold using a Realtor, the property had been advertised on the open market with the Multiple Listing Service and it had been on the market for 77 days. In further support of the transaction the appellant submitted a copy of the settlement statement and the Multiple Listing Service (MLS) data sheet. The Board finds the purchase price is below the market value reflected by the assessment. The board of review did not timely submit any evidence in support of the assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code 1910.40(a) & 1910.69(a)). Based on this record the Board finds a reduction in the subject's assessment commensurate with the appellant's request is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
