

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Shirley Traylor
DOCKET NO.: 15-39892.001-R-1
PARCEL NO.: 20-25-112-009-0000

The parties of record before the Property Tax Appeal Board are Shirley Traylor, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,220
IMPR.: \$9,902
TOTAL: \$12,122

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story multi-family dwelling with 2,204 square feet of living area. The dwelling features a full unfinished basement and a two-car garage. The property is located in Chicago, Hyde Park Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales that were located from .08 to .94 of a mile from the subject property. One of the comparables was not located within the same neighborhood code as the subject. The comparables were two-story multi-family dwellings that ranged in size from 2,008 to 2,376 square feet of living area. The comparable's land sizes were not disclosed. The comparables were built from 1888 to 1922. The comparables had other features with varying degrees of similarity to the subject. The sales occurred from February

2014 to November 2015 for prices ranging from \$22,000 to \$135,000 or from \$10.96 to \$57.25 per square foot of living area, including land.

The board of review did not timely submit its "Board of Review Notes on Appeal". The subject had a total assessment of \$33,746. The subject's assessment reflects a market value of \$337,460 or \$153.11 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be appellant's comparable sales. The Board further finds that one of the comparables was located in a different neighborhood code as the subject and none of the comparables are particularly similar to the subject in construction style. Five were also considerably newer than the subject. These comparables sold for prices ranging from \$22,000 to \$135,000 or from \$10.96 to \$57.25 per square foot of living area, including land. The subject's assessment reflects a market value of \$337,460 or \$153.11 per square foot of living area, including land, which is above the range established by the only comparable sales in this record. After adjusting the comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is justified. The board of review did not timely submit any evidence in support of the assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code 1910.40(a) & 1910.69(a)). Based on this record the Board finds a reduction in the subject's assessment is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
