

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Difatta
DOCKET NO.: 15-39903.001-R-1
PARCEL NO.: 06-07-402-046-0000

The parties of record before the Property Tax Appeal Board are Robert Difatta, the appellant, by Louis Capozzoli, Attorney at Law in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$327
IMPR.: \$4,461
TOTAL: \$4,788

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story townhome of masonry construction with 1,064 square feet of living area. The dwelling was constructed in 1979. Features of the home include a slab foundation, central air conditioning and a fireplace. The property has an 819 square foot site and is located in Elgin, Hanover Township, Cook County. The subject is classified as a class 2-95 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales that were located from two blocks to seven blocks from the subject property. All of the comparables were located on the same street as the subject. The comparables were two-story townhomes of masonry construction that contained 1,064 or 1,070 square feet of living area. The comparables had other features with varying degrees of similarity to the subject. The sales occurred from December 2010 to March

2013 for prices ranging from \$47,500 to \$57,900 or from \$44.39 to \$54.11 per square foot of living area, including land.

The board of review did not timely submit its "Board of Review Notes on Appeal". The subject had a total assessment of \$9,037. The subject's assessment reflects a market value of \$90,370 or \$84.93 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be appellant's comparable sales. The comparables sold from December 2010 to March 2013 for prices ranging from \$47,500 to \$57,900 or from \$44.39 to \$54.11 per square foot of living area, including land. The Board further finds that the most recent sale was comparable #1, that sold in March 2013 for \$48,000 or \$45.11 per square foot of living area, including land. The subject's assessment reflects a market value of \$90,370 or \$84.93 per square foot of living area, including land, which is above the range established by the only comparable sales in this record. The board of review did not timely submit any evidence in support of the assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code 1910.40(a) & 1910.69(a)). Based on this record the Board finds a reduction in the subject's assessment is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
