

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Olympia Haidos
DOCKET NO.: 15-39914.001-R-1
PARCEL NO.: 16-02-418-035-0000

The parties of record before the Property Tax Appeal Board are Olympia Haidos, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,675
IMPR.: \$3,455
TOTAL: \$7,130

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one and one-half story dwelling of frame and masonry construction with 1,426 square feet of living area. The dwelling was built in 1908. Features of the home include a full finished basement and central air conditioning. The property has a 3,500 square foot site and is located in Chicago, West Chicago Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that were located from .53 to .84 of a mile from the subject property. None of the comparables were located within the subject's neighborhood code. The comparables had varying degrees of similarity to the subject. The comparables had sale dates ranging from May 2014 to September 2015 for prices ranging from \$26,000 to \$79,900 or from \$20.52 to \$51.32 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$14,162. The subject's assessment reflects a market value of \$141,620 or \$99.31 per square foot of living area, land included, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that were located within the same neighborhood code as the subject property. The comparables had varying degrees of similarity to the subject. The comparables had sale dates ranging from May to September 2016 for prices ranging from \$125,000 to \$166,418 or from \$96.60 to \$139.85 per square foot of living area, including land.

The appellant submitted rebuttal critiquing the board of review's submission.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appellant's comparable sales. These comparables were similar to the subject in style, age and features, however, none of the comparables were located in the subject's neighborhood code. The comparables did sell more proximate in time to the January 1, 2015 assessment date at issue than did the board of review's comparables. The appellant's comparables sold from May 2014 to September 2015 for prices ranging from \$26,000 to \$79,900 or from \$20.52 to \$51.32 per square foot of living area, including land. The subject's assessment reflects a market value of \$141,620 or \$99.31 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. The Board gave less weight to the board of review's comparables due to their sale dates occurring greater than 16 months after the January 1, 2015 assessment date at issue. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
