

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Froylan M Salgado  
DOCKET NO.: 15-39923.001-R-1  
PARCEL NO.: 15-03-353-001-0000

The parties of record before the Property Tax Appeal Board are Froylan M Salgado, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$4,125  
**IMPR.:** \$13,675  
**TOTAL:** \$17,800

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property consists of two improvements. Improvement #1 is a two-story dwelling of frame construction with 1,428 square feet of living area. Improvement #2 is a two-story dwelling of frame construction with 1,056 square feet of living area. The property has a 6,600 square foot site and is located in Melrose Park, Proviso Township, Cook County.

The subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under docket number 14-34550.001-R-1. In that appeal the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$17,800 based on the evidence submitted by the parties. The appellant's attorney asserted that 2014 and 2015 were within the same general assessment period for residential property.

The board of review submitted its "Board of Review Notes on Appeal" wherein the final assessment of the subject property totaling 28,650 was disclosed. The board of review submitted descriptions and assessment information on four comparables to demonstrate Improvement #1 was being assessed uniformly. The board of review also submitted three comparable sales to demonstrate Improvement #2's assessment reflected its market value. The board of review also argued that the subject property was not receiving a homeowner's exemption and therefore, is not subject to a rollover of the prior year's decision.

The appellant's attorney submitted rebuttal reiterating that the subject is an owner-occupied property and the appellant has recently applied for the missed exemption. In further support of the claim that the subject property is owner-occupied, the appellant submitted a property information sheet showing that the subject's billing and property addresses are the same.

Based on the evidence submitted by the parties, the Board finds that the subject is an owner-occupied residential property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year's decision should be carried forward to the subsequent year subject only to equalization.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's 2014 assessment. The record further indicates that the subject property is an owner-occupied dwelling and that 2014 and 2015 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction subsequent to the Board's decision or that the assessment year in question is in a different general assessment period. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
