

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Edward Richards
DOCKET NO.: 15-39967.001-R-1
PARCEL NO.: 13-36-116-018-0000

The parties of record before the Property Tax Appeal Board are Edward Richards, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,031
IMPR.: \$21,451
TOTAL: \$28,482

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story multi-family dwelling of frame exterior construction with 1,648 square feet of living area. The dwelling is approximately 125 years old. Features of the home include a full unfinished basement. The property has a 3,125-square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted four comparable sales. Three of the comparables are located within the same neighborhood code as the subject property. The comparables consist of two-story multi-family dwellings that were built from 1888 to 1891. The comparables had features with varying degrees of similarity when compared to the subject. The dwellings range in size from 1,648 to 2,120 square feet of living area and are situated on sites that contain 2,925 or 3,125 square feet of land area. The comparables sold from January 2011 to March 2014 for prices ranging from

\$96,000 to \$150,000 or from \$53.68 to \$75.76 per square foot of living area including land. Based on this evidence, the appellant requested the total assessment be reduced to \$12,450.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$28,482. The subject's assessment reflects a market value of \$284,820 or \$172.83 per square foot of living area, land included, when using the level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of the subject's assessment, the board of review submitted information on three comparable sales located within the same neighborhood code as the subject property. The comparables consist of one, three-story multi-family dwelling and two, two-story multi-family dwellings that range in age from 104 to 125 years old. The comparables had features with varying degrees of similarity when compared to the subject. The dwellings range in size from 1,938 to 2,616 square feet of living area and are situated on sites that range in size from 2,500 to 3,875 square feet of land area. The comparables sold from August 2013 to September 2016 for prices ranging from \$501,000 to \$875,000 or from \$258.51 to \$334.48 per square foot of living area including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In written rebuttal, the appellant critiqued the board of review's submission.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven comparable sales for the Board's consideration. The Board gave less weight to the appellant's comparable sales #2 and #4 and the board of review's comparable sale #2 due to their 2011 or 2013 sale dates, which are less proximate in time for the January 1, 2015 assessment date at issue. The Board also gave less weight to the appellant's comparable #3 due to its dissimilar neighborhood code when compared to the subject property. Furthermore, the Board gave little weight to the board of review's comparable sale #3 due to its dissimilar dwelling design when compared to the subject property.

The Board finds the best evidence of market value in the record to be the appellant's comparable sale #1 and the board of review's comparable sale #1. These properties sold more proximate in time to the January 1, 2015 assessment date at issue and were similar to the subject in location, age, dwelling size, design, exterior construction and features. The comparables sold for prices of \$123,000 or \$501,000 and \$58.02 or \$258.51 per square foot of living area, including land. The subject's total assessment reflects a market value of \$284,820 or \$172.83 per square foot of living area including land, which falls between the best comparables established in this record.

Based on this record the Board finds the subject's assessment is reflective of market value and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
