

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Inchard, LLC
DOCKET NO.: 15-40498.001-R-1
PARCEL NO.: 07-31-215-008-0000

The parties of record before the Property Tax Appeal Board are Inchard, LLC, the appellant, by attorney Abby L. Strauss, of Schiller Strauss & Lavin PC in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,546
IMPR.: \$13,051
TOTAL: \$15,597

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a 2014 Final Administrative Decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) in order to challenge the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a multi-level dwelling of frame and masonry exterior construction with 1,157 square feet of living area. The dwelling is approximately 49 years old. Features of the home include a partial finished basement, central air conditioning and a one-car garage. The property has a 7,834 square foot site and is located in Hanover Park, Schaumburg Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance

The appellant's attorney argued a contention of law in that a reduction was issued for tax year 2014 as the basis for this appeal and that the fair market value of the subject is not accurately reflected in its assessed value as reflected in the attached documentation related to a recent sale of the subject property. As part of the supporting documentation, the appellant disclosed the

subject sold in July 2013 for a price of \$125,500. To document the sale the appellant submitted the settlement statement, the sales contract and the Illinois Real Estate Transfer Declaration.

The appellant also submitted a copy of the decision issued in Docket No. 14-31348.001-R-1 which was issued based upon the stipulation of the parties that the correct total assessment for the subject property for tax year 2014 was \$13,500.

Based on this evidence and argument, the appellant requested a reduction in the subject's assessment to reflect the 2014 stipulation with the Cook County Board of Review for a total assessment of \$13,500.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$15,597. The subject's assessment reflects a market value of \$155,970 or \$134.81 per square foot of living area, land included, when applying the 10% level of assessment for class 2 residential property pursuant to the Cook County Real Property Assessment Classification Ordinance.

In support of the subject's assessment, the board of review submitted information on four comparable sales located in the subject's neighborhood code and within .25 of a mile from the subject property. The comparables consist of multi-level dwellings of frame or frame and masonry exterior construction that range in age from 47 to 50 years old. The dwellings range in size from 1,080 to 1,157 square feet of living area and are situated on sites of either 7,800 or 9,120 square feet of land area. Features include partial basements with finished area and one-car to two-car garages. These comparables sold from January to September 2014 for prices ranging from \$160,500 to \$175,000 or from \$142.92 to \$152.78 per square foot of living area including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Counsel for the appellant provided a written rebuttal reiterating that the 2014 assessment be "rolled over to the tax year 2015."

Conclusion of Law

Based upon the appellant's contention of law argument, it is undisputed on this record that the subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 14-31348.001-R-1 which lowered the assessment of the subject property to \$13,500 and thus, confers jurisdiction upon this Board for consideration of an appeal for the subsequent tax year (35 ILCS 200/16-185).

However, the appellant did not assert that the subject property was **an owner occupied dwelling** by the appellant in this proceeding. Furthermore, the named appellant in this proceed is a "limited liability" company. Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in pertinent part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the

remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. [Emphasis added.]

There is no evidence in this record that the subject property was owner-occupied. Therefore, the Property Tax Appeal Board finds no basis upon which to carry the prior year's decision forward to the subsequent year as there is nothing in the record to indicate that the subject property was owner occupied.

Based on the documentation submitted, the appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the subject's 2013 sale is somewhat dated given the more recent comparable sales evidence in this record.

The Board finds the best evidence of market value in the record to be the four comparable sales submitted by the board of review. These comparables were similar to the subject in location, style, construction, features, age and land area. These properties also sold more proximate in time to the assessment date at issue than the July 2013 sale of the subject property. The comparables sold for prices ranging from \$160,500 to \$175,000 or from \$142.92 to \$152.78 per square foot of living area, including land. The subject's assessment reflects a market value of \$155,970 or \$134.81 per square foot of living area, including land, which is below the range established by the best comparable sales in this record.

Based on this record the Board finds the subject's assessment is reflective of market value and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
