

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Beth Lome
DOCKET NO.: 15-40584.001-R-1
PARCEL NO.: 04-16-114-009-0000

The parties of record before the Property Tax Appeal Board are Beth Lome, the appellant, by attorney Stephanie Park of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,305
IMPR.: \$41,958
TOTAL: \$53,263

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a two-story single-family dwelling of frame and masonry construction with 3,520 square feet of living area. The dwelling is approximately 16 years old. Features of the home include a full unfinished basement, central air conditioning, one fireplace and a three-car attached garage. The property has an 11,900 square foot site and is located in Northbrook, Northfield Township, Cook County. The property is classified as a class 2-78 two-story residence under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends the assessment of the subject property as established by the decision of the Property Tax Appeal Board for the 2014 tax year should be carried forward to the 2015 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). The appellant disclosed that the subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 14-

29992.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$53,263 based on an agreement of the parties supported by evidence submitted by the parties. The appellant's attorney asserted that the subject property is owner-occupied, the residence has not been sold during the general assessment period, and tax years 2014 and 2015 are within the same general assessment period. The appellant requested the subject's assessment be reduced to \$53,263.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$69,688. The subject's assessment reflects a market value of \$696,880 or \$197.98 per square foot of living area, land included, when using the when using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2-78 property of 10%. The subject property has an improvement assessment of \$56,003 or \$15.91 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted sales and assessment information on four comparables. The evidence provided by the board of review further disclosed that the first year of the three-year general assessment cycle for the subject property was 2016 (meaning the prior general assessment period included tax years 2013, 2014 and 2015) and no township equalization factor was applied in 2015.

Conclusion of Law

The appellant raised a contention of law asserting that the assessment of the subject property as established by the Property Tax Appeal Board for the 2014 tax year should be carried forward to the 2015 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). When a contention of law is raised the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2014 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2014 tax year to \$53,263. The record further indicates that the subject property is an owner-occupied dwelling and that 2014 and 2015 are within the same general

assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's decision or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. The record also disclosed that no township equalization factor was applied in 2015. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
