

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ray Walker
DOCKET NO.: 15-40802.001-C-1
PARCEL NO.: 04-26-407-025-0000

The parties of record before the Property Tax Appeal Board are Ray Walker, the appellant, by attorney Arnold G. Siegel, of Siegel & Callahan, P.C. in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$76,125
IMPR.: \$45,125
TOTAL: \$121,250

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a final administrative decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) in order to challenge the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story commercial building of masonry and stucco exterior construction with 3,887 square feet of building area. The structure was built in 1964 and operates as a restaurant. The property has a 24,360 square foot site and is located in Glenview, Northfield Township, Cook County. The subject is classified as a class 5-17 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$485,000 or approximately \$124.77 per square foot of building area, including land, as of January 1, 2013. The appraisal was prepared by Brian M. Rubin, Associate Real Estate Appraiser, and George K. Stamas, Certified General Real Estate Appraiser, of Meridian Appraisal & Consulting Group, Ltd. In estimating the market value, the appraisers developed the income approach to value and

the sales comparison approach to value. The appellant also reported the total assessment established by assessing officials of \$150,108 reflecting a market value of \$600,432 or \$154.47 per square foot of building area, including land, when using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 5 property of 25%. The appellant requested the subject's assessment be reduced to \$121,250.

The board of review did not timely submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject property and was found to be in default by a letter issued on December 2, 2022.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value of \$600,432 or \$154.47 per square foot of building area, which is above the appraised value presented by the appellant. The board of review did not submit any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and was found to be in default by a letter issued on December 2, 2022 pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a). The Board has examined the evidence submitted by the appellant and finds that a reduction in the assessed valuation of the subject property is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
