

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: American Homes 4 Rent  
DOCKET NO.: 16-00164.001-R-1  
PARCEL NO.: 06-31-378-006

The parties of record before the Property Tax Appeal Board are American Homes 4 Rent, the appellant, by attorney Michael R. Davies of the Law Offices of Michael R. Davies, Ltd., in Oak Lawn; and the Boone County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Boone** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 8,333  
**IMPR.:** \$41,666  
**TOTAL:** \$49,999

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Boone County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling containing 2,586 square feet of living area that was built in 1997. The subject was reported to have four bedrooms and two bathrooms. Neither party disclosed the subject's exterior construction, foundation type or features such as central air conditioning, fireplaces or a garage. The subject has a 10,001 square foot site. The subject property is located in Bonus Township, Boone County, Illinois.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the overvaluation claim, the appellant submitted limited descriptive information for 15 comparable properties that were located from .04 to .22 of a mile from the subject.<sup>1</sup> However, comparable #1 was the sale of the subject property in January 2013.

---

<sup>1</sup> The Board requested the appellant to complete the grid analysis in Section V of the appeal petition. The appellant failed to comply with the Board's request.

The remaining 14 comparables were reported to consist of two-story dwellings that were built from 1967 to 2004. The dwellings range in size from 2,028 to 2,868 square feet of living area and have sites that range in size from 10,001 to 28,314 square feet of land area. The comparables have from four to eight bedrooms and two or three bathrooms. The appellant failed to disclose the comparables' exterior construction or other salient features. The comparables sold from December 2012 to June 2015 for prices ranging from \$88,000 to \$150,000 or from \$33.08 to \$66.56 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$49,999. The subject's assessment reflects an estimated market value of \$149,028 or \$57.63 per square foot of living area including land when applying the 2016 three-year average median level of assessment for Boone County of 33.55%.

In support of the subject's assessment, the board of review submitted a recommendation from the multi-township assessor, Kathi Hendrickson. The assessor indicated most of the comparables submitted by the appellant "were more non valid sales than valid sales," but did not identify which comparables were "non valid" or "valid" sales. The assessor asserted she analyzed "10 valid sales that range from 2300-2500 SQ FT with the median sales price of \$155,000. We also have 5 sales that range from 2500-2700 SQ FT with the median sale price of \$150,000." None of these sales were submitted for the Board's consideration. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value contained in this record are the 14 comparable sales submitted by the appellant. The Board finds this evidence is poor due to lack of descriptive information. Nonetheless, the Board shall make a decision as to the correct assessment of the subject property regardless of the quality of the evidence. The Board gave less weight to comparables #6, #9, #10, #12, #14 and #15 submitted by the appellant. These comparables sold in 2012 or 2013, which are dated and less reliable indicators of market value in relation to the subject's January 1, 2016 assessment date. The Board also gave less weight to comparable #7 due to its older age when compared to the subject. Based on the limited descriptive data submitted, the Board finds the remaining comparables are more similar when compared to the subject in location, age, dwelling size and features. They sold from October 2014 to June 2015 for prices ranging from \$88,000 to \$150,000 or from \$33.08 to \$65.91 per square foot of living area including land. The subject's assessment reflects an estimated market value of \$149,028 or \$57.63 per square foot of living area including land, which falls within the range established by the most similar comparable sales contained in the record. Based on this

limited record, the Board finds the subject's estimated market value as reflected by its assessment is supported. Therefore, no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
