

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: American Homes 4 Rent (AH4R)
DOCKET NO.: 16-00197.001-R-1
PARCEL NO.: 07-02-154-007

The parties of record before the Property Tax Appeal Board are American Homes 4 Rent (AH4R), the appellant, by attorney Michael R. Davies of the Law Offices of Michael R. Davies, Ltd., in Oak Lawn; and the Boone County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Boone** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 8,103
IMPR.: \$20,931
TOTAL: \$29,034

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Boone County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling that has 2,068 square feet of living area. The dwelling was constructed in 2003. Features include four bedrooms, three bathrooms, central air conditioning and a 576-square foot attached garage. Neither party disclosed the subject's exterior construction or foundation type. The subject has an 8,276-square foot site. The subject property is located in Flora Township, Boone County.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the overvaluation claim, the appellant submitted limited descriptive information for six comparable sales that were reported to be located from .25 to .89 of a mile from the subject.¹ The comparables were reported to consist of one-story or two-story

dwelling, but the story height for each particular dwelling was not disclosed. The dwellings were built from 1964 to 2001. The comparables have three bedrooms and two or three bathrooms. The appellant failed to disclose the comparables' exterior construction, foundation type or features such as central air conditioning, fireplaces or garages. The dwellings were reported to range in size from 1,776 to 2,074 square feet of living area and have sites that range in size from 6,970 to 17,860 square feet of land area. The comparables sold from January 2013 to January 2015 for prices ranging from \$50,500 to \$86,005 or from \$27.54 to \$45.51 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$29,034. The subject's assessment reflects an estimated market value of \$86,540 or \$41.85 per square foot of living area including land when applying the 2016 three-year average median level of assessment for Boone County of 33.55%.

In support of the subject's assessment, the board of review submitted a recommendation from the Boone/Flora Township Assessor, Glen Gratz. The assessor argued there is no basis to lower this subject's assessment. The assessor argued "Most of their comparables should be dismissed because of age or house type." The assessor presented limited descriptive information on four comparable sales. Their proximate location in relation to the subject was not disclosed. The comparables were reported to be from 14 to 16 years old. The dwellings were reported to contain 2,068 or 2,100 square feet of living area, but their land sizes were not disclosed. The assessor failed to disclose the comparables' story height, exterior construction, foundation type and some features. The comparables sold from August 2014 to August 2015 for prices ranging from \$95,555 to \$125,000 or from \$46.21 to \$60.45 per square foot of living area including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The record contains 10 comparable sales for the Board's consideration. The Board gave less weight to the comparables submitted by the appellant. Four comparables are older in age than the subject and two comparables sold in 2013, which are dated and less indicative of market value as of the subject's January 1, 2016 assessment date. Based on this limited descriptive data submitted, the Board finds the comparables submitted by the board of review sold more proximate in time to the subject's assessment date and are similar in age and dwelling size. They sold from August 2014 to August 2015 for prices ranging from \$95,555 to \$125,000 or from \$46.21 to \$60.45 per square foot of living area including land. The subject's assessment reflects an estimated market value of \$86,540 or \$41.85 per square foot of living area including land, which falls below the range established by the more similar comparable sales contained in the record. After considering any adjustments to the comparables for differences when compared to

the subject, the Board finds the subject's estimated market value as reflected by its assessment is justified. Therefore, no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
