

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: American Homes 4 Rent (AH4R)  
DOCKET NO.: 16-00200.001-R-1  
PARCEL NO.: 03-22-327-001

The parties of record before the Property Tax Appeal Board are American Homes 4 Rent (AH4R), the appellant, by attorney Michael R. Davies of the Law Offices of Michael R. Davies, Ltd., in Oak Lawn; and the Boone County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Boone** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 4,231  
**IMPR.:** \$28,263  
**TOTAL:** \$32,494

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Boone County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling that has 1,378 square feet of living area. The dwelling was constructed in 2002. Features include three bedrooms and three bathrooms. Neither party disclosed the subject's exterior construction, foundation type or features. The subject has a 12,693-square foot site. The subject property is located in Caledonia Township, Boone County.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the overvaluation claim, the appellant submitted limited descriptive information for 14 comparable sales that were reported to be located from .05 to .41 of a mile from the subject.<sup>1</sup> The comparables were reported to consist of one-story or two

dwelling, but the story height for each individual comparable was not disclosed. The dwellings were built from 1989 to 2004. The comparables have three bedrooms and one or two bathrooms. The appellant failed to disclose the comparables' exterior construction, foundation type or features such as central air conditioning, fireplaces or garages. The dwellings were reported to range in size from 1,176 to 1,572 square feet of living area and have sites that range in size from 10,054 to 12,576 square feet of land area. The comparables sold from January 2013 to October 2015 for prices ranging from \$35,000 to \$96,000 or from \$28.56 to \$74.88 per square foot of living area including land. The evidence further revealed the subject property sold in September 2014 for \$116,000 or \$84.18 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$32,494. The subject's assessment reflects an estimated market value of \$96,852 or \$70.28 per square foot of living area including land when applying the 2016 three-year average median level of assessment for Boone County of 33.55%.

In support of the subject's assessment, the board of review submitted a recommendation from the multi-township township assessor, Kathi Hendrickson. The assessor argued the appellant purchased the home in 2014 for \$116,000. The assessor asserted nine comparable sales were supplied with a median sale price of \$112,000. However, these sales were not submitted by the board of review for the Board's consideration. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The record contains 14 comparable sales and the sale of the subject property for the Board's consideration. Notwithstanding the lack of descriptive information of the comparables, the comparables sold from January 2013 to October 2015 for prices ranging from \$35,500 to \$96,000 or from \$28.56 to \$74.88 per square foot of living area including land. In addition, the subject property was purchased in September 2014 for \$116,000 or \$84.18 per square foot of living area including land. The subject's assessment reflects an estimated market value of \$96,852 or \$70.28 per square foot of living area including land. Giving some weight to the comparable sales as well as the subject's 2014 sale price, the Board finds the subjects' estimated market value as reflected by its assessment is justified. Therefore, no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
