

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: American Homes 4 Rent (AH4R)
DOCKET NO.: 16-00202.001-R-1
PARCEL NO.: 03-22-401-008

The parties of record before the Property Tax Appeal Board are American Homes 4 Rent (AH4R), the appellant, by attorney Michael R. Davies of the Law Offices of Michael R. Davies, Ltd., in Oak Lawn; and the Boone County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Boone** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 3,500
IMPR.: \$31,321
TOTAL: \$34,821

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Boone County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling that has 2,184 square feet of living area. The dwelling was constructed in 1994. Features include four bedrooms and two bathrooms. Neither party disclosed the subject's exterior construction, foundation type or features such as central air conditioning, fireplace(s) or a garage. The subject has an 10,498-square foot site. The subject property is located in Caledonia Township, Boone County.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the overvaluation claim, the appellant submitted limited descriptive information for eleven comparable sales that were reported to be located from .08 to .31 of a mile from the subject.¹ The remaining comparables were reported to consist of one-story

or two-story dwellings, but the story height for each individual property was not disclosed. The dwellings were built from 1978 to 1999. Ten comparables have three or four bedrooms and all the comparables have two or three bathrooms. The appellant failed to disclose the comparables' exterior construction, foundation type or features such as central air conditioning, fireplaces or garages. The dwellings were reported to range in size from 1,328 to 2,375 square feet of living area and have sites that range in size from 10,389 to 17,711 square feet of land area. The comparables sold from February 2013 to April 2015 for prices ranging from \$46,000 to \$103,100 or from \$19.76 to \$64.01 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$34,821. The subject's assessment reflects an estimated market value of \$103,788 or \$47.52 per square foot of living area including land when applying the 2016 three-year average median level of assessment for Boone County of 33.55%.

In support of the subject's assessment, the board of review submitted a recommendation from the multi-township assessor, Kathi Hendrickson. The assessor argued "Most of the comparisons supplied by the appellants were non valid sales or not comparable home types." Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The appellant submitted eleven comparable sales for the Board's consideration. The Board gave less weight to eight of the comparables submitted by the appellant. Six comparables sold in 2013, which are less reliable indicators of market value as of the January 1, 2016 assessment date. Two comparables are smaller in dwelling size and one comparable is older in age when compared to the subject. The Board finds comparables #5, #8 and #9 submitted by the appellant are most similar when compared to the subject in location and land area, but somewhat older in age, one comparable is slightly smaller in size and each comparable has as one less bedroom. They sold in from June 2014 to December 2014 for prices ranging from \$73,000 to \$97,900 or from \$35.16 to \$48.28 per square foot of living area including land. The subject's assessment reflects an estimated market value of \$103,788 or \$47.52 per square foot of living area including land, which is greater than the most similar comparable sales on an overall basis, but within the range of the comparables sales on a per square foot basis. After considering adjustments to the comparables for any known differences when compared to the subject, for instance one comparable's slightly smaller in size and each comparables' somewhat older age and one less bedroom, the Board finds the subject's estimated market value as reflected by its assessment is supported. Therefore, no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
