

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: American Homes 4 Rent (AH4R)  
DOCKET NO.: 16-00204.001-R-1  
PARCEL NO.: 03-22-428-004

The parties of record before the Property Tax Appeal Board are American Homes 4 Rent (AH4R), the appellant, by Michael R. Davies, of the Law Offices of Michael R. Davies, Ltd. in Oak Lawn; and the Boone County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Boone** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,500  
**IMPR.:** \$34,536  
**TOTAL:** \$38,036

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Boone County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of with 2,302 square feet of living area. The dwelling was constructed in 2005. Exterior construction, foundation type and features of the dwelling such as central air conditioning, fireplaces and garages were not disclosed by either party. The property has a 10,498 square foot site and is located in Caledonia Township, Boone County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted limited information on sixteen comparable sales, however, one comparable is the subject property and one comparable did not have sale price disclosed. The Board requested that the appellant complete the grid analysis in Section V of the appeal petition. The appellant failed to comply with the Board's request and failed to disclose the comparables' exterior construction, specific design, foundation type or features such as central air

conditioning, fireplaces and/or garages. The comparables sold from February 2013 to April 2015 for prices ranging from \$48,001 to \$110,100 or from \$20.74 to \$51.60 per square foot of living area, land included.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$38,036. The subject's assessment reflects an estimated market value of \$113,371 or \$49.25 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Boone County of 33.55% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review argued that eleven of the appellant's comparables were not "like homes" but did not specifically identify the particular comparables. No sales comparables were submitted by the board of review for the Board's consideration. Based on this contention, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains fifteen comparable sales, all submitted by the appellant, for the Board's consideration. The Board gave less weight to twelve of these comparables which sold in 2013 and 2014, as they are dated and less indicative of market value as of the subject's January 1, 2016 assessment date. The Board finds that appellant's comparables #6, #8 and #16 sold more proximate in time to the subject's assessment date. These comparables sold in February or April 2015 for prices ranging from \$76,000 to \$100,000 or from \$31.89 to \$58.08 per square foot. The subject's assessment reflects an estimated market value of \$49.25 per square foot of living area, land included, which falls within the range established by the best comparables in the record. Even after considering adjustments for possible differences in features, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
