

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: American Homes 4 Rent (AH4R)
DOCKET NO.: 16-00209.001-R-1
PARCEL NO.: 03-26-104-013

The parties of record before the Property Tax Appeal Board are American Homes 4 Rent (AH4R), the appellant, by attorney Michael R. Davies of the Law Offices of Michael R. Davies, Ltd., in Oak Lawn; and the Boone County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Boone** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 3,612
IMPR.: \$36,276
TOTAL: \$39,888

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Boone County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling that has 2,203 square feet of living area. The dwelling was constructed in 2003. Features include four bedrooms and three bathrooms. Neither party disclosed the subject's exterior construction, foundation type or features. The subject has a 10,838-square foot site. The subject property is located in Poplar Grove Township, Boone County.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the overvaluation claim, the appellant submitted limited descriptive information for 11 comparable sales that were reported to be located from .05 to .28 of a mile from the subject.¹ The comparables were reported to consist of one-story or two-story

dwelling, but the specific story height for each comparable was not disclosed. The dwellings were built from 1987 to 2003. The comparables have three or four bedrooms and one to three bathrooms. The appellant failed to disclose the comparables' exterior construction, foundation type or features such as central air conditioning, fireplaces or garages. The dwellings were reported to range in size from 1,221 to 2,383 square feet of living area and have sites that range in size from 10,149 to 15,481 square feet of land area. The comparables sold from February 2013 to June 2015 for prices ranging from \$42,500 to \$111,500 or from \$21.29 to \$67.53 per square foot of living area including land. The appellant's evidence further revealed the subject property sold in January 2013 for \$144,000 or \$65.37 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$39,888. The subject's assessment reflects an estimated market value of \$118,891 or \$53.97 per square foot of living area including land when applying the 2016 three-year average median level of assessment for Boone County of 33.55%.

In support of the subject's assessment, the board of review submitted a recommendation from the multi-township township assessor, Kathi Hendrickson. The assessor asserted most of the comparisons supplied by the appellant were more on the non valid end and most of the comparisons were different story types. The assessor claimed 9 comparables were supplied with a median sale price of \$118,500. However, the board of review did not submit these sales for consideration. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The record contains 11 comparable sales and the sale of the subject property for the Board's consideration. Notwithstanding the lack of descriptive information of the comparables, the comparables sold from February 2013 to June 2015 for prices ranging from \$42,500 to \$111,500 or from \$21.29 to \$67.53 per square foot of living area including land. The subject's assessment reflects an estimated market value of \$118,891 or \$53.97 per square foot of living area including land, which falls within the range established by the comparables submitted by the appellant. The evidence further shows the subject property was purchased in January 2013 for \$144,000 or \$65.37 per square foot of living area including land. Giving some weight to the comparable sales and some weight to the subject's 2013 sale price, the Board finds the subject's estimated market value as reflected by its assessment is justified. Therefore, no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
