

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: American Homes 4 Rent Pro  
DOCKET NO.: 16-00559.001-R-1  
PARCEL NO.: 06-03-33-210-021-0000

The parties of record before the Property Tax Appeal Board are American Homes 4 Rent Pro, the appellant, by attorney Michael R. Davies, of Ryan Law LLP in Chicago; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$17,869  
**IMPR.:** \$48,009  
**TOTAL:** \$65,878

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of frame construction with 1,942 square feet of living area. The dwelling was constructed in 2001. Features of the home include a partial basement, central air conditioning and a 400 square foot garage. The property has a 7,700 square foot site and is located in Plainfield, Plainfield Township, Will County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted limited evidence in Section IV – Recent Sale Data of the Residential Appeal petition disclosing the subject property was purchased in November 2014 from the Will County Sheriff for a price of \$159,001. While the appellant was requested to provide additional information to complete the appeal, by letter dated November 30, 2017 by the Property Tax Appeal Board, the appeal was accepted and the board of review was simultaneously, but separately, notified of its

duty to respond to the appeal within 90 days. Based on this limited recent sale evidence, the appellant requested a reduction in the subject's assessment to reflect the 2014 purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$65,878. The subject's assessment reflects a market value of \$198,070 or \$101.99 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Will County of 33.26% as determined by the Illinois Department of Revenue. The subject has an improvement assessment of \$48,009 or \$24.72 per square foot of living area.

Initially in response to the appeal, the board of review requested dismissal of the appeal since the appellant failed to comply with the Property Tax Appeal Board's request for additional information. (Citing 86 Ill.Admin.Code §§1910.30(k) and 1910.63(b)). Furthermore, since the incomplete checklist suggested that the sale of the subject property was "too old" to be indicative of market value, the board of review contended in the alternative that the sale price provided by the appellant should be given no weight.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales improved with one-story dwellings of frame construction ranging in size from 1,626 to 1,942 square feet of living area that were located within the subject's subdivision. The dwellings were constructed from 1994 to 2001. Each home features a basement, central air conditioning and a garage containing 400 or 420 square feet of building area. In addition, two comparables have a fireplace. The comparables have sites ranging in size from 8,100 to 15,000 square feet of land area. These properties sold from June 2015 to June 2016 for prices ranging from \$180,000 to \$210,000 or from \$92.69 to \$119.93 per square foot of living area, including land. The comparables have improvement assessments ranging from \$48,009 to \$52,145 or from \$24.72 to \$32.07 per square foot of living area.

Based on the foregoing evidence and argument, the board of review requested an increase in the assessment of the subject property to reflect the median sales price or a new total assessment of \$71,964 which would reflect a market value of \$216,368 or \$111.42 per square foot of living area, including land.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted evidence of the subject's 2014 sale price and three comparable sales to support their respective positions before the Property Tax Appeal Board.

The Board gave little weight to the subject's November 2014 sale due to the fact the sale did not occur as proximate in time to the assessment date at issue of January 1, 2016 as did the

comparable sales in the record. In addition, there was no evidence presented by the appellant that the sale transaction had any of the elements of an arm's length transaction as there was no indication if the property sold between related parties; there was no indication whether the property was advertised or exposed on the open market prior to the sale; and/or there was no evidence whether the transaction occurred between a willing seller and a willing buyer.

The Board gave less weight to comparable #3 submitted by the board of review due to its smaller dwelling size when compared to the subject. The Board finds the best evidence of market value in the record to be comparable sales #1 and #2 submitted by the board of review. These comparables are similar to the subject in location, dwelling size, design, age and most features. Moreover, comparable #1 is identical to the subject in dwelling size, design and age. These properties sold more proximate in time to the assessment date at issue as compared to the 2014 sale of the subject property. The comparables sold in either June 2015 or June 2016 for prices of \$180,000 and \$210,000 or \$92.69 and \$111.17 per square foot of living area, including land. The subject's assessment reflects a market value of \$198,070 or \$101.99 per square foot of living area, including land, which is supported by the best comparable sales in this record. After considering adjustments to the comparable sales for differences when compared to the subject, the Board finds the estimated market value as reflected by the assessment is supported.

As to the board of review request to increase the subject's assessment based upon the median of the three recent sales, the Property Tax Appeal Board finds that the subject's current improvement assessment is identical to board of review comparable sale #1 and less than the remaining two comparable sales. The Board gave less weight to board of review comparable #3 due to its dissimilar dwelling size when compared to the subject. The Will County Board of Review has requested an increase in the subject's improvement assessment to \$54,095 which would be \$27.86 per square foot of living area, which is greater than the per-square-foot improvement assessments of the two most similar comparable sales submitted by the board of review. The Board finds an increase in the assessment as requested by the board of review is not justified based on principles of uniformity when comparing the requested assessment to the assessments of the comparables submitted by the board of review. Based on this record, the Property Tax Appeal Board finds a change in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.

Clerk of the Property Tax Appeal Board

**IMPORTANT NOTICE**

Section 16-185 of the Property Tax Code provides in part:

"If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel after the deadline for filing complaints with the Board of Review or after adjournment of the session of the Board of Review at which assessments for the subsequent year or years of the same general assessment period, as provided in Sections 9-125 through 9-225, are being considered, the taxpayer may, within 30 days after the date of written notice of the Property Tax Appeal Board's decision, appeal the assessment for such subsequent year or years directly to the Property Tax Appeal Board."

In order to comply with the above provision, YOU MUST FILE A PETITION AND EVIDENCE WITH THE PROPERTY TAX APPEAL BOARD WITHIN 30 DAYS OF THE DATE OF THE ENCLOSED DECISION IN ORDER TO APPEAL THE ASSESSMENT OF THE PROPERTY FOR THE SUBSEQUENT YEAR OR YEARS. A separate petition and evidence must be filed for each of the remaining years of the general assessment period.

Based upon the issuance of a lowered assessment by the Property Tax Appeal Board, the refund of paid property taxes is the responsibility of your County Treasurer. Please contact that office with any questions you may have regarding the refund of paid property taxes.
