

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: American Homes 4 Rent Pro
DOCKET NO.: 16-00597.001-R-1
PARCEL NO.: 21-14-22-101-039-0000

The parties of record before the Property Tax Appeal Board are American Homes 4 Rent Pro, the appellant, by attorney Michael R. Davies of Ryan Law LLP in Chicago; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,828
IMPR.: \$44,271
TOTAL: \$54,099

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a part two-story and part one-story single-family dwelling of frame construction with 2,270 square feet of living area. The dwelling was constructed in 2001. Features of the home include a finished basement, central air conditioning, and a two-car attached garage with 451 square feet of building area. The property has a 10,614 square foot site and is located in Monee, Monee Township, Will County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant disclosed in Section IV – Recent Sale Data of the appeal that the property was purchased from the Sheriff of Will County in December 2013 for a price of \$102,301. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$34,100.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$54,099. The subject's assessment reflects a market value of \$162,655 or \$71.65 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Will County of 33.26% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located in the same subdivision as the subject property that are improved with part two-story and part one-story dwellings of frame construction ranging in size from 1,580 to 2,515 square feet of living area. The dwellings were built from 2000 to 2004. Each comparable has a basement with one having finished area, central air conditioning, and a two-car attached garage ranging in size from 484 to 508 square feet of building area. Three comparables each have one fireplace. The sales occurred from July 2015 to November 2016 for prices ranging from \$140,000 to \$213,500 or from \$69.98 to \$88.61 per square foot of living area, including land.

In rebuttal the board of review provided a copy of the PTAX-203 Illinois Real Estate Transfer Declaration associated with the sale of the subject property. The transfer declaration disclosed the property was not advertised for sale, the transaction was a court ordered sale, and the sale was at public auction. The seller was identified as the Will County Sheriff.

Based on this evidence the board of review requested no change be made to the assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value in the record to be the comparable sales submitted by the board of review. These comparables are relatively similar to the subject in location, style, size, construction, age and features. These properties sold proximate in time to the assessment date at issue for prices ranging from \$140,000 to \$213,500 or from \$69.98 to \$88.61 per square foot of living area, including land. The subject's assessment reflects a market value of \$162,655 or \$71.65 per square foot of living area, including land, which is within the range established by the board of review comparable sales demonstrating the subject property is not overvalued. The Board gives little weight to the subject's sale due to the fact the sale did not occur as proximate in time to the assessment date at issue as did the sales provided by the board of review. Additionally, the appellant failed to provide evidence demonstrating the purchase had the elements of an arm's length transaction. A copy of the transfer declaration associated with the sale disclosed the property was not advertised for sale, the sale was court ordered, and the property sold at auction. Additionally, both the appellant and the board of review disclosed the subject property was sold by the Sheriff of Will County. These elements demonstrate to this

Board that the sale was not an arm's length transaction. Based on this record the Board finds a reduction in the subject's assessment based on overvaluation is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
