

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: American Homes 4 Rent Pro
DOCKET NO.: 16-00609.001-R-1
PARCEL NO.: 21-14-21-127-013-0000

The parties of record before the Property Tax Appeal Board are American Homes 4 Rent Pro, the appellant, by attorney Michael R. Davies, of Ryan Law LLP in Chicago; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,616
IMPR.: \$37,154
TOTAL: \$46,770

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of part split-level and part one-story dwelling of frame construction with 1,822 square feet of living area. The dwelling is approximately 23 years old. Features of the home include a basement with a finished area, central air conditioning, a fireplace and a 475-square foot garage. The property has a 10,505-square foot site and is located in Monee Township, Will County.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted limited evidence in Section IV – Recent Sale Data of the Residential Appeal petition disclosing the subject property was purchased from the Bank of New York in December 2014 for a price of \$117,000. While the appellant was requested to provide additional information to complete the appeal, the appeal was accepted, and the board of review was notified of its duty to

respond to the appeal within 90 days. Based on this limited recent sale evidence, the appellant requested a reduction in the subject's assessment to reflect the 2014 purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$46,770. The subject's assessment reflects a market value of \$140,619 or \$77.18 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Will County of 33.26% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales identified by the township assessor with varying degrees of similarity to the subject. These properties are improved with part split-level and part one-story dwellings of frame or masonry construction ranging in size from 1,796 to 2,164 square feet of living area. The dwellings range in age from 20 to 23 years old. The homes feature a basement with a finished area, central air conditioning and a garage ranging in size from 419 to 594 square feet of building area. Three dwellings have a fireplace. The homes sold from February 2016 to June 2017 for prices ranging from \$153,000 to \$165,000 for from \$71.63 to \$87.03 per square foot of living area, including land. In addition, the board of review submitted property record cards for the subject and the four comparables as well as the PTAX-203 form reflecting the subject was a bank-owned property. Finally, the board of review submitted a brief prepared by the Monee Township Assessor citing statutory authority regarding compulsory sales.

Based on the foregoing evidence and argument, the board of review requested a confirmation of the assessment of the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted for the Board's consideration limited sale information regarding the subject property along with four comparable sales. The Board gave little weight to the subject's December 2014 sale due to the fact the sale did not occur proximate in time to the January 1, 2016 assessment date at issue. In addition, there was no evidence presented by the appellant that the sale transaction had any of the elements of an arm's length transaction as there was no indication if the property sold between related parties; there was no indication whether the property was advertised or exposed on the open market prior to the sale; and/or there was no evidence whether the transaction occurred between a willing seller and a willing buyer. The Board finds the best evidence of market value in the record to be the four comparable sales submitted by the board of review. These comparables were similar to the subject in style and features and they sold more proximate in time to the subject's January 1, 2016 assessment date. These comparables sold from February 2016 to June 2017 for prices ranging from \$153,000 to \$165,000 for from \$71.63 to \$87.03 per square foot of living area, including land. The subject's

assessment reflects a market value of \$140,619 or \$77.18 per square foot of living area, land included, which falls within the range established by the best comparable sales in this record on a per square foot basis.

On this record, the Property Tax Appeal Board finds the subject's assessment is supported and that the subject is not overvalued and no reduction in the assessment of the subject property is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
