

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AMH 2015-1 Borrower LLC
DOCKET NO.: 16-00638.001-R-1
PARCEL NO.: 06-03-01-104-012-0000

The parties of record before the Property Tax Appeal Board are AMH 2015-1 Borrower LLC, the appellant, by attorney Michael R. Davies of Ryan Law LLP in Chicago; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$13,554
IMPR.: \$56,237
TOTAL: \$69,791

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 2,212 square feet of living area. The dwelling was constructed in 1997. Features of the home include a concrete slab foundation, central air conditioning, a fireplace and a 420 square foot garage. The property has a 6,100 square foot site and is located in Plainfield, Plainfield Township, Will County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted limited evidence in Section IV – Recent Sale Data of the Residential Appeal petition disclosing the subject property was purchased in April 2014 from Petrovic George FKA for a price of \$188,000. Appellant's legal counsel was requested to provide additional information to complete the appeal within 30 days. Appellant's counsel failed to respond by the established deadline. Nonetheless, the appeal was accepted and the board of review was simultaneously, but

separately, notified of its duty to respond to the appeal within 90 days. Based on this limited recent sale evidence, the appellant requested a reduction in the subject's assessment to reflect the 2014 purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$69,791. The subject's assessment reflects a market value of \$209,835 or \$94.86 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Will County of 33.26% as determined by the Illinois Department of Revenue.

Initially, in response to the appeal, the board of review through the township assessor requested dismissal of the appeal since the appellant failed to comply with the Property Tax Appeal Board's request for additional information.

Alternatively, if the appeal was not dismissed, the board of review submitted information on three comparable sales in support of its contention of the correct assessment. The comparables were improved with two-story dwellings of frame exterior construction ranging in size from 1,976 to 2,152 square feet of living area that were located within the subject's neighborhood code. The dwellings were constructed in 1996 or 1998. The board of review reported that one home features a partial basement and the two remaining homes each have a concrete slab foundation. In addition, the homes each have central air conditioning, a fireplace and either a 400 or 420 square foot garage. The comparables have sites ranging in size from 5,800 to 10,100 square feet of land area. The sales occurred in either June or December 2015 for prices ranging from \$199,500 to \$212,500 or from \$92.70 to \$101.21 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted evidence of the subject's 2014 sale price and three comparable sales to support their respective positions before the Property Tax Appeal Board.

The Board gave little weight to the subject's April 2014 sale due to the fact the sale did not occur as proximate in time to the assessment date at issue of January 1, 2016 as did the comparable sales in the record. Furthermore, the appellant failed to fully complete Section IV – Recent Sale Data of the appeal and provide evidence demonstrating the purchase had the elements of an arm's-length transaction.

The Board gave less weight to board of review comparable sale #1 due to its dissimilar partial basement foundation when compared to the subject's concrete slab foundation.

The Board finds the best evidence of market value in the record to be comparable sales #2 and #3 submitted by the board of review. These two comparables were similar to the subject in location, dwelling size, design, age and most features. These properties sold in June and December 2015, respectively, for prices of \$199,500 and \$200,000 or \$92.70 and \$101.21 per square foot of living area, including land. The subject's assessment reflects a market value of \$209,835 or \$94.86 per square foot of living area, including land, which while slightly higher in total market value due to the subject's larger dwelling and garage sizes is supported on a square foot basis. Furthermore, after considering adjustments to the comparable sales for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by the assessment is supported. Based on this evidence, the Property Tax Appeal Board finds that the subject is not overvalued and no reduction in the assessment of the subject property is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
