

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AMH 2014-2 Borrower LLC AT
DOCKET NO.: 16-00652.001-R-1
PARCEL NO.: 21-14-20-210-013-0000

The parties of record before the Property Tax Appeal Board are AMH 2014-2 Borrower LLC AT, the appellant, by attorney Michael R. Davies of Ryan Law LLP in Chicago; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,775
IMPR.: \$50,996
TOTAL: \$60,771

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a part two-story and part one-story dwelling of frame exterior construction with 1,644 square feet of living area. The dwelling was constructed in 1998. Features of the home include a full finished basement, central air conditioning, a fireplace and a 482 square foot garage. The property has a 10,883 square foot site and is located in Monee Township, Will County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant disclosed in Section IV – Recent Sale Data of the appeal that the subject property was purchased from U.S. Bank in March 2014 for a price of \$132,500. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$60,771. The subject's assessment reflects a market value of

\$182,715 or \$111.14 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Will County of 33.26% as determined by the Illinois Department of Revenue.

In response to the appeal, the board of review submitted a letter prepared by the Monee Township Assessor. The assessor submitted a copy of the PTAX-203 Illinois Real Estate Transfer Declaration that relates to the subject's sale. The transfer declaration disclosed that the subject property was not advertised for sale, the transaction was a Bank REO (real estate owned) and the property was transferred by Special Warranty Deed.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located in the same neighborhood as the subject. The comparables are improved with part two-story and part one-story frame dwellings that were built between 1999 and 2001. The homes range in size from 1,703 to 2,104 square feet of living area and each home features an unfinished basement, central air conditioning and a garage ranging in size from 441 to 744 square feet of building area. Two of the comparables each have a fireplace. The sales occurred from May 2015 to November 2016 for prices ranging from \$192,000 to \$211,000 or from \$94.11 to \$117.44 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted data on the 2014 sale of the subject and four comparable sales to support their respective positions before the Property Tax Appeal Board.

The Board gave little weight to the subject's sale due to the fact the sale did not occur proximate in time to the assessment date at issue. Furthermore, the appellant failed to fully complete Section IV – Recent Sale Data of the appeal form and provide evidence demonstrating the purchase had the elements of an arm's-length transaction.

The Board finds the best evidence of market value in the record to be the comparable sales submitted by the board of review. These comparables were similar to the subject in location, dwelling size, design, age and most features. The comparables sold for prices ranging from \$192,000 to \$211,000 or from \$94.11 to \$117.44 per square foot of living area, including land. The subject's assessment reflects a market value of \$182,715 or \$111.14 per square foot of living area, including land, which is below the range established by the best board of review comparable sales in the record in terms of overall value and within the range on a per-square-foot basis. Based on this record the Board finds the subject property is not overvalued and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
