

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AMH 2014-2 Borrower LLC  
DOCKET NO.: 16-00656.001-R-1  
PARCEL NO.: 21-14-22-101-006-0000

The parties of record before the Property Tax Appeal Board are AMH 2014-2 Borrower LLC, the appellant, by attorney Michael R. Davies of Ryan Law LLP in Chicago; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$9,828  
**IMPR.:** \$39,990  
**TOTAL:** \$49,818

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of frame exterior construction with 1,544 square feet of living area. The dwelling was constructed in 1998. Features of the home include a partial basement with finished area, central air conditioning, a fireplace and a 418 square foot garage. The property has a 9,902 square foot site and is located in Monee Township, Will County.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant disclosed in Section IV – Recent Sale Data of the appeal that the subject property was purchased from David F. Karpaty in January 2014 for a price of \$142,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$49,818. The subject's assessment reflects a market value of \$149,784 or \$97.01 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Will County of 33.26% as determined by the Illinois Department of Revenue.

In response to the appeal, the board of review submitted a letter prepared by the Monee Township Assessor. The assessor submitted a copy of the PTAX-203 Illinois Real Estate Transfer Declaration that relates to the subject's sale. The transfer declaration disclosed that the subject property was sold in December 2013 and the warranty deed was recorded in January 2014.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales, two of which are located in the same subdivision as the subject property. The comparables are improved with one-story frame dwellings that were built from 1997 to 2005. The homes range in size from 1,690 to 1,903 square feet of living area and each home features an unfinished basement, central air conditioning and a garage ranging in size from 415 to 495 square feet of building area. The sales occurred from October 2015 to November 2016 for prices ranging from \$145,900 to \$205,000 or from \$76.67 to \$115.43 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted data on the December 2013 sale of the subject and four comparables sales to support their respective positions before the Property Tax Appeal Board.

The Board gave little weight to the subject's sale due to the fact the sale did not occur proximate in time to the assessment date at issue. Furthermore, the appellant failed to fully complete Section IV – Recent Sale Data of the appeal and provide evidence demonstrating the purchase had the elements of an arm's-length transaction.

The Board also gave reduced weight to board of review comparable sales #3 and #4 that are located outside of the subject's subdivision.

The Board finds the best evidence of market value in the record to be comparable sales #1 and #2 submitted by the board of review. These two comparables were similar to the subject in location, dwelling size, design, age and most features. The comparables sold proximate in time to the lien date at issue for prices of \$164,000 and \$167,500 or \$97.04 and \$97.95 per square foot of living area, including land. The subject's assessment reflects a market value of \$149,784 or \$97.01 per

square foot of living area, including land, which is supported by the board of review comparables. Based on this record the Board finds the subject property is not overvalued and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
