

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AMH 2014-2 Borrower LLC
DOCKET NO.: 16-00662.001-R-1
PARCEL NO.: 21-14-21-404-022-0000

The parties of record before the Property Tax Appeal Board are AMH 2014-2 Borrower LLC, the appellant, by attorney Michael R. Davies, of Ryan Law LLP in Chicago, and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 9,722
IMPR.: \$44,976
TOTAL: \$54,698

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame construction with 1,824 square feet of living area. The dwelling was constructed in 1996. Features of the home include a full finished basement, central air conditioning, a fireplace and a 413 square foot garage. The property has a 9,878 square foot site and is located in Monee, Monee Township, Will County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence in Section IV – Recent Sale Data disclosing the subject property was purchased from "Will County Sheriff" in November 2013 for a price of \$109,217. While the appellant was requested to provide additional information to complete the appeal, by letter dated November 30, 2017 by the Property Tax Appeal Board, the appeal was accepted and the board of review was simultaneously, but separately, notified of its duty to respond to the appeal within 90

days. Based on this limited recent sale evidence, the appellant requested a reduction in the subject's assessment to reflect the 2013 purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$54,698. The subject's assessment reflects a market value of \$164,456 or \$90.16 per square foot of living area, land included, when using the 2016 three year average median level of assessment for Will County of 33.26% as determined by the Illinois Department of Revenue.

As to the sale of the subject property, the board of review through the township assessor reported the transfer occurred through a Sheriff's Deed, Court-ordered sale, and Auction sale. (See Exhibit #1, PTAX-203 Illinois Real Estate Transfer Declaration) Furthermore, the assessor noted that the incomplete checklist provided by the Property Tax Appeal Board suggested that the 2013 sale was "too old" and therefore should not be considered.

In support of its contention of the correct assessment, the board of review through the township assessor submitted information on four comparable sales in the same neighborhood as the subject. The comparables consist of one-story dwellings of frame construction that were built between 1996 and 2002. The homes range in size from 1,689 to 1,841 square feet of living area and feature full unfinished basements, central air conditioning and a garage ranging in size from 410 to 440 square feet of building area. Three of the comparables each have a fireplace. These properties sold from November 2015 to December 2016 for prices ranging from \$155,000 to \$227,000 or from \$84.19 to \$130.76 per square foot of living area, including land.

Based on the foregoing evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value in the record to be the four comparable sales submitted by the board of review. These comparables were similar to the subject in location, style, construction, features and/or age. These properties also sold proximate in time to the assessment date at issue. The comparables sold from November 2015 to December 2016 for prices ranging from \$155,000 to \$227,000 or from \$84.19 to \$130.76 per square foot of living area, including land. The subject's assessment reflects a market value of \$164,456 or \$90.16 per square foot of living area, including land, which is within the range established by the best comparable sales in this record.

The Board gave little weight to the subject's sale due to the fact the sale did not occur proximate in time to the assessment date at issue of January 1, 2016 and there was no evidence presented by

the appellant that the sale transaction had any of the elements of an arm's length transaction as there was no indication if the property sold between related parties; there was no indication whether the property advertised or exposed on the open market prior to the sale; and/or there was no evidence whether the transaction occurred between a willing seller and a willing buyer. In fact, the appellant reported the seller was "Will County Sheriff" which suggests that this was a foreclosure or other legal proceeding involving duress and the board of review further supported the potential duress nature of the transaction with a copy of the PTAX-203.

Based on this record, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
