

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: American Homes 4 Rent Pro
DOCKET NO.: 16-00667.001-R-1
PARCEL NO.: 21-14-20-209-018-0000

The parties of record before the Property Tax Appeal Board are American Homes 4 Rent Pro, the appellant, by attorney Michael R. Davies, of Ryan Law LLP, in Chicago, and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,775
IMPR.: \$44,863
TOTAL: \$54,638

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame construction with 1,539 square feet of living area. The dwelling was constructed in 1999. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a 400 square foot garage. The property has a 8,111 square foot site and is located in Monee, Monee Township, Will County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted limited evidence in Section IV – Recent Sale Data of the Residential Appeal petition disclosing the subject property was purchased in December 2014 for a price of \$152,000. While the appellant was requested to provide additional information to complete the appeal, by letter dated November 30, 2017 by the Property Tax Appeal Board, the appeal was accepted and the board of review was simultaneously, but separately, notified of its duty to respond to the appeal

within 90 days. Based on this limited recent sale evidence, the appellant requested a reduction in the subject's assessment to reflect the 2014 purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$54,638. The subject's assessment reflects a market value of \$164,275 or \$106.74 per square foot of living area, land included, when using the 2016 three year average median level of assessment for Will County of 33.26% as determined by the Illinois Department of Revenue.

In response to the appellant's evidence, the board of review through the township assessor provided a copy of the PTAX-203 related to the sale of the subject. The document depicts the property transferred by Special Warranty Deed and was a Bank REO (real estate owned) property.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales in the subject's subdivision that are improved with one-story dwellings of frame construction ranging in size from 1,402 to 1,967 square feet of living area. The dwellings were constructed between 1997 and 2002 with features that include full basements, one of which has finished area, central air conditioning and a garage ranging in size from 422 to 634 square feet of building area. Two comparables each have a fireplace. These properties sold from July 2014 to April 2016 for prices ranging from \$165,000 to \$185,000 or from \$94.05 to \$125.54 per square foot of living area, including land.

Based on this evidence, the board of review requested confirmation of the subject's estimated market value as reflected by its assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value in the record to be comparable sales #1, #2 and #3 submitted by the board of review. These three comparables were similar to the subject in location, style, construction, features and/or age. These properties bracket the subject in dwelling size and also sold proximate in time to the assessment date at issue of January 1, 2016. The comparables sold from July 2015 to April 2016 for prices ranging from \$165,000 to \$176,000 or from \$98.76 to \$125.54 per square foot of living area, including land. The subject's assessment reflects a market value of \$164,275 or \$106.74 per square foot of living area, including land, which is within the range established by the best comparable sales in this record on a per-square-foot basis which is logical given that the subject's dwelling size is bracketed by the best sales.

The Board gave little weight to the subject's sale and to board of review comparable #4 due to the fact these sales did not occur as proximate in time to the assessment date at issue as the best sales in the record; these two properties sold in 2014. Furthermore, the appellant's submission did not establish that the sale of the subject had the elements of an arm's length transaction and did not establish that it was sold between unrelated parties. There also was no evidence that the property was advertised or exposed on the open market prior to the sale.

Based on this record the Board finds the subject's assessment is reflective of market value and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
