

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AMH 2014-2 Borrower LLC
DOCKET NO.: 16-00781.001-R-1
PARCEL NO.: 05-06-04-106-050-0000

The parties of record before the Property Tax Appeal Board are AMH 2014-2 Borrower LLC, the appellant, by attorney Michael R. Davies, of Ryan Law LLP in Chicago; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,700
IMPR.: \$47,550
TOTAL: \$59,250

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling with 2,264 square feet of living area of brick and frame construction. The dwelling was constructed in 1998. Features of the home include a partial basement along with a partial crawl space foundation, central air conditioning, a fireplace and a 441 square foot garage. The property has a 11,629 square foot site and is located in Troy Township, Will County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted limited information on four comparable sales with varying degrees of similarity to the subject. The comparables sold from December 2015 to June 2016 for prices ranging from \$174,900 to \$196,500 or from \$75.81 to \$94.67 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$59,250. The subject's assessment reflects a market value of \$178,142 or \$78.68 per square foot of living area, including land, when applying the 2016 three year average median level of assessment of 33.26% for Will County as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales with varying degrees of similarity to the subject. The comparables sold from June 2014 to October 2015 for prices ranging from \$165,000 to \$215,000 or from \$78.72 to \$94.96 per square foot of living area, including land. The board of review requested an increase in the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the board of review comparable sales which were much more descriptive and allowed for a meaningful analysis. Little weight was given the appellant's comparables based on the limited descriptive information submitted. The board of review comparables sold from June 2014 to October 2015 for prices ranging from \$165,000 to \$215,000 or from \$78.72 to \$94.96 per square foot of living area, including land. The subject's assessment reflects a market value of \$178,142 or \$78.68 per square foot of living area, including land, which is within the range established by the best comparable sales in this record based on a total sale price and below the range on a per square foot basis. Based on this evidence the Board finds no reduction in the subject's assessment nor increase is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
