

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AMH 2014-2 Borrower LLC
DOCKET NO.: 16-00796.001-R-1
PARCEL NO.: 05-06-04-205-124-0000

The parties of record before the Property Tax Appeal Board are AMH 2014-2 Borrower LLC, the appellant, by attorney Michael R. Davies, of Ryan Law LLP in Chicago; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,750
IMPR.: \$50,100
TOTAL: \$62,850

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction with 2,228 square feet of living area. The dwelling was built in 2005. Features of the home include a full basement, central air conditioning and a 483 square foot garage. The property has a 9,296 square foot site and is located in Troy Township, Will County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted limited evidence of four comparable sales. The comparables ranged in size from 2,100 to 2,296 square feet of living area and contained central air conditioning. Two comparables contained one or two fireplaces and three comparables featured a garage ranging in size from 288 to 483 square feet of building area. Appellant's counsel did not disclose neighborhood code, proximity to subject, design for two comparables, exterior construction or basement area. The comparables sold in from February 2016 to June 2016 for prices ranging

from \$172,000 to \$242,000 or from \$74.91 to \$110.80 per square foot of living area, including land. Based on this limited evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$62,850. The subject's assessment reflects a market value of \$188,966 or \$84.81 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Will County of 33.26% as determined by the Illinois Department of Revenue.

Initially in response to the appeal, the board of review requested dismissal of the appeal since the appellant failed to comply with the Property Tax Appeal Board's request for additional information. Further, the board of review requested an increase in the subject's assessment.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales identified by the township assessor improved with two-story dwellings of frame or brick and frame construction containing from 2,246 to 2,274 square feet of living area. The dwellings were built in 2005 with features that include central air conditioning and a 483 square foot garage. The comparables featured a full or partial basement. The comparable properties sold from July 2015 to June 2016 for prices ranging from \$165,751 to \$242,000 or from \$73.34 to \$107.75 per square foot of living area, including land.

Based on the foregoing evidence and argument, the board of review requested an increase in the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable sales to support their respective positions before the Property Tax Appeal Board.

The Board gave little weight to the appellant's comparable based on the limited descriptive information provided. The Board finds the best evidence of market value in the record to be comparable sales submitted by the board of review. These comparables were generally similar to the subject in location, style, construction, features and/or age. These properties also sold proximate in time to the assessment date at issue. These comparables sold from July 2015 to June 2016 for prices ranging from \$165,751 to \$242,000 or from \$73.34 to \$107.75 per square foot of living area, including land. The subject's assessment reflects a market value of \$188,966 or \$84.81 per square foot of living area, land included, which is within the range established by the best comparable sales in this record both in terms of overall value and on a per-square-foot basis.

After considering the best comparable sales in the record, the Property Tax Appeal Board finds that the subject is not overvalued and no reduction nor increase in the assessment of the subject property is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
