

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AMH 2015-1 Borrower LLC  
DOCKET NO.: 16-00813.001-R-1  
PARCEL NO.: 10-11-20-102-013-0000

The parties of record before the Property Tax Appeal Board are AMH 2015-1 Borrower LLC, the appellant, by attorney Michael R. Davies, of Ryan Law LLP in Chicago; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Will** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$15,331  
**IMPR.:** \$35,947  
**TOTAL:** \$51,278

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a split-level dwelling of frame exterior construction with 1,745 square feet of living area. The dwelling was constructed in 1997. Features of the home include a partial basement with finished area, central air conditioning and a 444 square foot garage. The property has a 12.589 square foot site and is located in Jackson Township, Will County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted limited information on four comparable sales in the Section V grid analysis of the appeal petition. While the appellant was requested to provide additional information to complete the appeal, by letter dated August 10, 2017 by the Property Tax Appeal Board, the appeal was accepted, and the board of review was simultaneously, but separately, notified of its duty to respond to the appeal within 90 days. The comparables were built from 1997 to 2001 and with 1,326 or 1,477 square feet of living area. The comparables each have central air

conditioning and a 484 or 546 square foot garage. The sales occurred from December 2015 to June 2016 for prices ranging from \$113,000 to \$182,000. The appellant requested the subject's total assessment be reduced to \$49,649.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$51,278. The subject's assessment reflects a market value of \$154,173 or \$88.35 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Will County of 33.26% as determined by the Illinois Department of Revenue.

Initially in response to the appeal, the board of review and township assessor both suggested dismissal of the appeal since the appellant failed to comply with the Property Tax Appeal Board's request for additional information.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales identified by the township assessor. The four comparables are improved with three, part split-level and part one-story or one, split-level style dwellings of frame exterior construction. The comparables contain from 1,519 to 2,001 square feet of living area. Comparables #1 through #3 were located within the subject's subdivision. The dwellings were constructed from 1996 to 2004. Each comparable has a basement with finished area, central air conditioning and a garage ranging in size from 376 to 482 square feet of building area. These properties sold from May 2014 to August 2016 for prices ranging from \$165,000 to \$183,000 or from \$86.21 to \$110.60 per square foot of living area. The board of review requested that the assessment be confirmed.

The board of review reported that the subject property was purchased by the appellant in June 2013 for \$161,000.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted evidence on eight comparable properties and reported on the subject's 2013 sale price to support their respective positions before the Property Tax Appeal Board.

The Board finds the best evidence of market value to be the comparable sales #2, #3 and #4 provided by the board of review. These comparables sold for prices ranging from \$97.97 to \$110.60 per square foot of living area, including land. The subject's assessment reflects a market value of \$88.35 per square foot of living area, including land, which is below the range established by the best comparable sales in this record and below the subject's June 2013 purchase price of \$92.26 per square foot of living area, including land. Little weight was given the appellant's evidence as it contained little descriptive information about the dwellings to allow

the Property Tax Appeal Board to conduct a meaningful comparative analysis of the comparable sales to the subject property. The Board also gave little weight to the subject's June 2013 along with board of review comparable sale #1 which sold in May 2014 due to the fact the sales did not occur as proximate in time to the assessment date at issue of January 1, 2016.

On this record, the Property Tax Appeal Board finds that the subject is not overvalued and no reduction in the assessment of the subject property is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
