

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: American Homes 4 Rent Pro
DOCKET NO.: 16-00821.001-R-1
PARCEL NO.: 06-03-35-452-015-0000

The parties of record before the Property Tax Appeal Board are American Homes 4 Rent Pro, the appellant, by attorney Michael R. Davies, of Ryan Law LLP in Chicago; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Will** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,750
IMPR.: \$44,996
TOTAL: \$57,746

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 1,620 square feet of living area. The dwelling was constructed in 1994. Features of the home include a full basement, central air conditioning, a fireplace and a 528 square foot garage. The property has a 9,300 square foot site and is located in Joliet, Plainfield Township, Will County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted limited evidence in Section IV – Recent Sale Data of the Residential Appeal petition disclosing the subject property was purchased in August 2013 for a price of \$155,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price. While the appellant was requested to provide additional information to complete the appeal, by letter dated August 17, 2017 by the Property Tax Appeal Board, the appeal was accepted, and the board of review was simultaneously, but separately, notified of its duty to

respond to the appeal within 90 days. Based on this limited recent sale evidence, the appellant requested a reduction in the subject's assessment to reflect the 2013 purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$57,746. The subject's assessment reflects a market value of \$173,620 or \$107.17 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Will County of 33.26% as determined by the Illinois Department of Revenue.

Initially in response to the appeal, the board of review requested dismissal of the appeal since the appellant failed to comply with the Property Tax Appeal Board's request for additional information. (Citing 86 Ill.Admin.Code §1910.30(k) and 1910.63(b)). Furthermore, since the incomplete checklist suggested that the sale of the subject property was "too old" to be indicative of market value, the board of review contended in the alternative that the sale price provided by the appellant should be given no weight.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales identified by the township assessor improved with one, two-story dwelling and one, part two-story and part one-story dwelling¹ and one, split-level dwelling of frame construction ranging in size from 1,483 to 1,836 square feet of living area that were located within a mile of the subject property. The dwellings were constructed in 1990 or 1994 with features that include partial basements, central air conditioning, a fireplace and a garage with 440 or 484 square feet of building area. These properties sold from May 2015 to May 2016 for prices ranging from \$177,000 to \$195,000 or from \$106.11 to \$119.35 per square foot of living area.

Based on the foregoing evidence and argument, the board of review requested that the assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value in the record to be the three comparable sales submitted by the board of review. These comparables were similar to the subject in location, dwelling size, construction, features and/or age. These properties also sold proximate in time to the assessment date at issue. The comparables sold from May 2015 to May 2016 for prices ranging from \$106.11 to \$119.35 per square foot of living area, including land. The subject's assessment reflects a market value of \$107.17, including land, which is within the range

established by the best comparable sales in this record. The Board gave little weight to the subject's August 2013 sale due to the fact the sale did not occur proximate in time to the assessment date at issue of January 1, 2016 and there was no evidence presented by the appellant that the sale transaction had any of the elements of an arm's length transaction as there was no indication if the property sold between related parties; there was no indication whether the property was advertised or exposed on the open market prior to the sale; and/or there was no evidence whether the transaction occurred between a willing seller and a willing buyer.

On this record, the Property Tax Appeal Board finds that the subject is not overvalued and no reduction in the assessment of the subject property is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
