

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AMH 2015-1 Borrower LLC
DOCKET NO.: 16-00837.001-R-1
PARCEL NO.: 06-03-30-414-006-0000

The parties of record before the Property Tax Appeal Board are AMH 2015-1 Borrower LLC, the appellant, by attorney Michael R. Davies, of Ryan Law LLP in Chicago, and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$13,114
IMPR.: \$42,911
TOTAL: \$56,025

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a two-story dwelling of frame exterior construction with 1,792 square feet of living area. The dwelling was built in 1998. Features of the home include central air conditioning and a 396 square foot garage. The property has an 8,300 square foot site and is located in Plainfield Township, Will County.

The appellant marked comparable sales as the basis of the appeal. In support of this argument the appellant submitted limited information on four purported comparable sales that sold in October 2015 to June 2016 for prices ranging from \$127,500 to \$177,500.

The appellant requested the subject's assessment be reduced to \$54,245.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$56,025. The subject's assessment reflects a market value of \$168,446 or \$94.00 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Will County of 33.26% as determined by the Illinois Department of Revenue. The subject has an improvement assessment of \$42,911 or \$23.95 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales where board of review comparable #3 is the same property as appellant's comparable #4. The comparables are improved with two-story dwellings of frame exterior construction that each contain 1,792 square feet of living area. The homes were built from 1993 to 1998. Each comparable has central air conditioning and a garage of either 462 or 576 square feet of building area. The sales occurred from June 2015 to January 2016 for prices ranging from \$162,500 to \$184,250 or from \$90.68 to \$102.82 per square foot of living area, land included. The comparables each have total assessments of \$53,582 and improvement assessments of \$22.58 per square foot of living area.

Based on this evidence, the board of review requested the subject's total assessment be increased to \$59,166 and the improvement assessment be increased to \$46,052 or \$25.70 per square foot of living area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains six sales, where there is one common property, submitted by the parties to support their respective positions. Less weight was given the appellant's comparables, except comparable #4, due to the lack of descriptive information about the style and/or features of the homes to allow a more meaningful comparative analysis. Nevertheless, the three remaining appellant's comparables sold for prices ranging from \$127,500 to \$169,900, including land. More weight was given the board of review comparables, which includes appellant's comparable #4, due to more complete descriptive data. These properties were relatively similar to the subject and sold for prices ranging from \$162,500 to \$184,250 or from \$90.68 to \$102.82 per square foot of living area, including land. The subject's assessment reflects a market value of \$168,446 or \$94.00 per square foot of living area, including land, which is within both the overall price range and the range on a square foot basis established by the best descriptive comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified based on overvaluation.

The Board denies the board of review request to increase the subject's assessment as the evidence disclosed there exists a practical uniformity of assessments between the comparables presented by the board of review and the subject property. (See Apex Motor Fuel Co. v. Barrett,

20 Ill.2d 395 (1960)). The board of review comparables have improvement assessments of \$22.58 per square foot of living area. The subject's improvement assessment is \$23.95 per square foot of living area, slightly above the board of review comparables and appellant's comparable #4. Increasing the subject's assessment as requested by the board of review would result in an inequitable assessment of the subject property in contrast with the assessments of the comparables provided by the board of review and appellant's comparable #4.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
