

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: American Homes 4 Rent Pro
DOCKET NO.: 16-00854.001-R-1
PARCEL NO.: 22-22-09-413-011-0000

The parties of record before the Property Tax Appeal Board are American Homes 4 Rent Pro, the appellant, by attorney Michael R. Davies, of Ryan Law LLP in Chicago; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,177
IMPR.: \$40,927
TOTAL: \$52,104

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick and frame exterior construction with 1,534 square feet of living area. The dwelling was constructed in 2005. Features of the home include a full basement, central air conditioning and a 417 square foot garage. The property has an 8,148 square foot site and is located in Beecher, Washington Township, Will County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant partially completed Section IV of the Residential Appeal petition indicating the subject property was purchased in March 2013 from Jesse Vinke for a price of \$155,000. The appeal was returned for being incomplete. Appellant's legal counsel was advised the March 2013 sale was too old for a "Recent Sale" consideration and to provide an alternative basis of the appeal with corroborating evidence. Appellant's counsel failed to respond by the established deadline.

Nonetheless, the appeal was accepted, and the board of review was simultaneously, but separately, notified of its duty to respond to the appeal within 90 days. Based on this limited recent sale evidence, the appellant requested a reduction in the subject's assessment to reflect the 2013 purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$52,104. The subject's assessment reflects a market value of \$156,657 or \$102.12 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Will County of 33.26% as determined by the Illinois Department of Revenue.

Initially in response to the appeal, the board of review and township assessor requested dismissal of the appeal since the appellant failed to comply with the Property Tax Appeal Board's request for additional information.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales identified by the township assessor that are improved with one-story dwellings of brick and frame exterior construction. The comparables range in size from 1,745 to 1,902 square feet of living area. The dwellings were built in 2003 or 2005 with features that include full unfinished basements, central air conditioning and a garage ranging in size from 437 to 697 square feet of building area. One comparable has a fireplace. These properties sold from October 2015 to July 2016 for prices ranging from \$186,000 to \$224,200 or from \$98.84 to \$119.89 per square foot of living area, land included.

Based on the foregoing evidence and argument, the board of review requested that the assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value in the record to be the four comparable sales submitted by the board of review. These comparables were similar to the subject in location, style, dwelling size, construction, age and features. These properties also sold proximate in time to the assessment date at issue. The comparables sold from October 2015 to July 2016 for prices ranging from \$186,000 to \$224,200 or from \$98.84 to \$119.89 per square foot of living area, land included. The subject's assessment reflects a market value of \$156,657 or \$102.12, including land, which is below the range on the total market value and within the range on a price per square foot basis, land included, as established by the best comparable sales in this record. The Board gave little weight to the subject's March 2013 sale due to the fact the sale did not occur proximate in time to the assessment date at issue of January 1, 2016 and there was no evidence presented by the appellant that the sale transaction had any of the elements of an arm's

length transaction as there was no indication if the property sold between related parties; there was no indication whether the property was advertised or exposed on the open market prior to the sale; and/or there was no evidence whether the transaction occurred between a willing seller and a willing buyer.

On this record, the Property Tax Appeal Board finds that the subject is not overvalued and no reduction in the assessment of the subject property is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
