

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AMH 2014-2 Borrower LLC AT
DOCKET NO.: 16-00933.001-R-1
PARCEL NO.: 07-01-28-201-047-1005

The parties of record before the Property Tax Appeal Board are AMH 2014-2 Borrower LLC AT, the appellant, by attorney Michael R. Davies of Ryan Law LLP in Chicago; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Will** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$15,787
IMPR.: \$36,533
TOTAL: \$52,320

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a ranch condominium dwelling of frame construction with 1,735 square feet of living area. The dwelling was constructed in 2003. Features of the dwelling include a poured concrete foundation, central air conditioning, one fireplace and a two-car attached garage. The property is located in Plainfield, Wheatland Township, Will County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant disclosed in Section IV – Recent Sale Data of the appeal that the property was purchased from the Sheriff of Will County in September 2013 for a price of \$110,001. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$36,667.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$52,320. The subject's assessment reflects a market value of

\$157,306 or \$90.67 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Will County of 33.26% as determined by the Illinois Department of Revenue. The subject has an improvement assessment of \$36,533 or \$21.06 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales improved with ranch condominium dwellings identical to the subject in size and features. The dwellings were built in 2003 and 2004. The sales occurred from January 2016 to June 2016 for prices of \$180,000 and \$182,000 or for \$103.75 and \$104.90 per square foot of living area, including land. The comparables have total assessments of \$52,159 and \$52,166 and improvement assessments of \$36,372 and \$36,379 or \$20.96 and \$20.97 per square foot of living area.

The board of review provided a copy of the PTAX-203 Illinois Real Estate Transfer Declaration associated with the sale of the subject property disclosing the property was not advertised for sale, the transaction was a court-ordered sale, the property sold at auction, and the seller was the Will County Sheriff.

Based on this evidence the board of review requested the subject's assessment be increased to \$60,444.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value in the record to be the comparable sales submitted by the board of review. These comparables were practically identical to the subject in location, style, construction, features and age. These properties also sold more proximate in time to the assessment date at issue than did the subject property. The comparables sold for prices of \$180,000 and \$182,000 or for \$103.75 and \$104.90 per square foot of living area, including land. The subject's assessment reflects a market value of \$157,306 or \$90.67 per square foot of living area, including land, which is below the range established by the board of review comparable sales demonstrating the subject property is not overvalued. The Board gave little weight to the subject's sale due to the fact the sale did not occur proximate in time to the assessment date at issue and the appellant failed to provide evidence demonstrating the purchase had the elements of an arm's length transaction. The board of review submitted a copy of the PTAX-203 Illinois Real Estate Transfer Declaration associated with the sale of the subject property disclosing the sale was not an arm's length transaction due to the fact it was not advertised, the transaction was court-ordered, the property sold at auction and the seller was the Sheriff of Will County. Based on this record the Board finds a reduction in the subject's assessment is not justified based on overvaluation.

The Board denies the board of review request to increase the subject's assessment as the evidence disclosed there exists a practical uniformity of assessments between the comparables presented by the board of review and the subject property. (See Apex Motor Fuel Co. v. Barrett, 20 Ill.2d 395 (1960)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
