

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AH4R IL 2 LLC  
DOCKET NO.: 16-01017.001-R-1  
PARCEL NO.: 06-03-34-205-028-0000

The parties of record before the Property Tax Appeal Board are AH4R IL 2 LLC, the appellant, by attorney Michael R. Davies of Ryan Law LLP in Chicago; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds an increase in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$15,821  
**IMPR.:** \$46,225  
**TOTAL:** \$62,046

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame construction with 1,486 square feet of living area. The dwelling was constructed in 1995. Features of the home include a full basement, central air conditioning, a fireplace and a two-car attached garage with 400 square feet of building area. The property has an 8,000 square foot site and is located in Plainfield, Plainfield Township, Will County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant disclosed in Section IV – Recent Sale Data of the appeal that the property was purchased from the Sheriff of Will County in October 2013 for a price of \$101,100. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$33,700.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$56,482. The subject's assessment reflects a market value of \$169,820 or \$114.28 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Will County of 33.26% as determined by the Illinois Department of Revenue. The subject has an improvement assessment of \$40,661 or \$27.36 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located in the same subdivision as the subject property improved with two-story dwellings that range in size from 1,313 to 1,701 square feet of living area. The dwellings were built from 1991 to 1996. Each property has a full basement, central air conditioning, one fireplace and an attached two-car garage ranging in size from 400 to 441 square feet of building area. The sales occurred from September 2015 to July 2016 for prices ranging from \$196,200 to \$213,500 or from \$125.51 to \$149.43 per square foot of living area, including land. The comparables have total assessments ranging from \$63,272 to \$65,349 and improvement assessments ranging from \$47,451 to \$49,528 or from \$29.12 to \$36.85 per square foot of living area.

Based on this evidence the board of review requested the subject's assessment be increased to \$67,588 with an improvement assessment of \$51,767 or \$34.83 per square foot of living area.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value in the record to be the comparable sales submitted by the board of review. These comparables are like the subject property in location, style, size, construction, age and features with the exception each has a fireplace that the subject dwelling does not have. These properties also sold proximate in time to the assessment date at issue. The comparables sold for prices ranging from \$196,200 to \$213,500 or from \$125.51 to \$149.43, including land. The subject's assessment reflects a market value of \$169,820 or \$114.28 per square foot of living area, including land, which is below the range established by the board of review comparable sales demonstrating the subject property is undervalued. The Board gives little weight to the subject's sale due to the fact the sale did not occur as proximate in time to the assessment date at issue as did the sales provided by the board of review. Additionally, the appellant failed to provide evidence demonstrating the purchase had the elements of an arm's length transaction. The appellant disclosed the subject property was purchased from the Sheriff of Will County suggesting to this Board that the sale was not an arm's length transaction.

In conclusion, the Board finds that an increase to the subject's assessment is appropriate as the sales provided by the board of review established the subject property is undervalued.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
