

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AH4R I IL LLC
DOCKET NO.: 16-01019.001-R-1
PARCEL NO.: 07-01-06-406-019-0000

The parties of record before the Property Tax Appeal Board are AH4R I IL LLC, the appellant, by attorney Michael R. Davies of Ryan Law LLP in Chicago; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,505
IMPR.: \$56,104
TOTAL: \$72,609

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction with 2,328 square feet of living area. The dwelling was constructed in 2002. Features of the home include an unfinished basement, central air conditioning, and a two-car attached garage with 512 square feet of building area. The property is located in Aurora, Wheatland Township, Will County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant disclosed in Section IV – Recent Sale Data of the appeal that the property was purchased from “Federal Home Loan” in November 2012 for a price of \$189,900. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$63,300.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$72,609. The subject's assessment reflects a market value of

\$218,307 or \$93.77 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Will County of 33.26% as determined by the Illinois Department of Revenue. The subject has an improvement assessment of \$56,104 or \$24.10 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located in the same subdivision as the subject property. The comparables are improved with two-story dwellings that range in size from 2,328 to 2,353 square feet of living area. The dwellings were built in 2002 and 2003. Each property has an unfinished basement, central air conditioning and an attached two-car garage ranging in size from 512 to 525 square feet of building area. One comparable has one fireplace. The sales occurred from June 2015 to June 2016 for prices ranging from \$244,000 to \$263,000 or from \$104.81 to \$112.83 per square foot of living area, including land. The comparables have total assessments ranging from \$71,012 to \$77,900 and improvement assessments ranging from \$54,507 to \$61,395 or from \$23.41 to \$26.37 per square foot of living area.

The board of review also submitted a copy of the PTAX-203 Illinois Real Estate Transfer Declaration associated with the sale of the subject property. The transfer declaration disclosed the property was a Bank REO (real estate owned) and was sold by Federal Home Loan Mortgage Corporation. The property had been advertised for sale.

Based on this evidence the board of review requested the subject's assessment be increased to \$83,833 and the improvement assessment be increased to \$67,328 or \$28.92 per square foot of living area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value in the record to be the comparable sales submitted by the board of review. These comparables are similar to the subject in location, style, size, construction, features and age. These properties also sold proximate in time to the assessment date at issue. The comparables sold for prices ranging from \$244,000 to \$263,000 or from \$104.81 to \$112.83 per square foot of living area, including land. The subject's assessment reflects a market value of \$218,307 or \$93.77 per square foot of living area, including land, which is below the range established by the board of review comparable sales demonstrating the subject property is not overvalued. The Board gives little weight to the subject's sale due to the fact the sale did not occur as proximate in time to the assessment date at issue as did the sales provided by the board of review. Additionally, the appellant failed to provide evidence demonstrating the purchase had the elements of an arm's length transaction. Based on this record the Board finds a reduction in the subject's assessment based on overvaluation is not justified.

The Board denies the board of review request to increase the subject's assessment as the evidence disclosed there exists a practical uniformity of assessments between the comparables presented by the board of review and the subject property. (See Apex Motor Fuel Co. v. Barrett, 20 Ill.2d 395 (1960)). Increasing the subject's assessment as requested by the board of review would result in an inequitable assessment of the subject property in contrast with the assessments of the comparables provided by the board of review.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
