

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AMH 2014-2 Borrower LLC
DOCKET NO.: 16-01577.001-R-1
PARCEL NO.: 15-13-276-027

The parties of record before the Property Tax Appeal Board are AMH 2014-2 Borrower LLC, the appellant, by attorney Michael R. Davies of Ryan Law LLP in Chicago; and the Kane County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Kane** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$17,714
IMPR.: \$64,461
TOTAL: \$82,175

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Kane County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a part two-story and part one-story dwelling of frame construction with 2,212 square feet of living area. The dwelling was constructed in 2004. Features of the home include a partial basement, central air conditioning, one fireplace and a two-car integral garage with approximately 441 square feet of building area. The property has a 11,477 square foot site and is located in Aurora, Aurora Township, Kane County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted a list of thirteen proposed comparable sales that sold from December 2012 to September 2015 for prices ranging from \$75,000 to \$243,000. The appellant provided minimal descriptive information about the comparables other than one was constructed in 2004. The appellant requested the subject's assessment be reduced to \$75,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$82,175. The subject's assessment reflects a market value of \$246,994 or \$111.66 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Kane County of 33.27% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that were identified by the township assessor improved with part two-story and part one-story dwellings that ranged in size from 2,011 to 2,504 square feet of living area and were built from 2004 to 2007. Each comparable has a basement, central air conditioning and a two-car or three-car garage. One comparable has a fireplace. The sales occurred in May 2014 to June 2015 for prices ranging from \$263,500 to \$286,000 or from \$107.83 to \$142.22 per square foot of living area, including land.

The board of review also submitted three-equity comparables identified by the township assessor to demonstrate the subject was being equitably assessed.

Additionally, the board of review submitted a grid analysis of three comparable sales identified as being the taxpayer's comparable sales; however, these comparables were not submitted by the appellant to this Board. The comparables were composed of part-two-story and part one-story dwellings of frame construction that ranged in size from 1,775 to 2,261 square feet of living area and were built in 2004. Two comparables were located along the same street and within the same block as the subject property. Each comparable has a basement, central air conditioning and a two-car integral garage. One property has a fireplace. The sales occurred in April and May 2016 for prices ranging from \$212,000 to \$229,500 or from \$99.51 to \$129.30 per square foot of living area, including land.

The board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the comparable sales provided by the board of review, which included the three sales purportedly selected by the appellant. The comparables sold from May 2014 to May 2016 prices ranging from \$212,000 to \$286,000 or from \$99.51 to \$142.22 per square foot of living area, land included. The subject's assessment reflects a market value of \$246,994 or \$111.66 per square foot of living area, land included, which is within the range established by the best comparable sales in this record. The Board finds the comparable sales submitted by the board of review demonstrate the subject property is not overvalued for assessment purposes. Little weight was given the appellant's evidence as it contained no descriptive characteristics about the dwellings to allow the Property Tax Appeal

Board to conduct a meaningful comparative analysis of the comparable sales to the subject property. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
