

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kenneth Kouri
DOCKET NO.: 16-02014.001-R-1
PARCEL NO.: 14-19-432-020

The parties of record before the Property Tax Appeal Board are Kenneth Kouri, the appellant, by Robert W. McQuellon III, Attorney at Law, in Peoria, and the Peoria County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Peoria** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 6,550
IMPR.: \$33,450
TOTAL: \$40,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Peoria County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story duplex dwelling of frame construction with 1,848 square feet of living area. The dwelling was constructed in 1972. Features of the home include a full basement, central air conditioning and an attached 528 square foot garage. The property is located in Peoria, City of Peoria Township, Peoria County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales. The comparables were described as dwellings of frame or brick and frame construction that range in size from 1,680 to 1,982 square feet of living area. The comparables sold between June 2016 and February 2017 for prices ranging from \$91,000 to \$130,000 or from \$54.17 to \$65.92 per square foot of living area, including land.

The appellant also submitted a copy of the decision of the board of review disclosing the subject property had a total assessment of \$50,470 reflecting a market value of \$151,244 or \$81.84 per square foot of living area, including land, when using the 2016 three-year average median level of assessment for Peoria County of 33.37% as determined by the Illinois Department of Revenue.

Based on the foregoing comparable sales evidence, the appellant requested the subject's assessment be reduced to \$40,000 or a market value of \$119,868 or \$64.86 per square foot of living area, including land.

The board of review did not timely submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the comparable sales submitted by the appellant. The only comparables in the record sold for prices that ranged from \$91,000 to \$130,000 or from \$54.17 to \$65.92 per square foot of living area, including land. The subject's assessment reflects a market value of \$151,244 or \$81.84 per square foot of living area, including land, which is falls above the range established by the only comparable sales in this record.

The board of review did not timely submit any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board by letter dated October 25, 2018. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a).

The Property Tax Appeal Board has examined the evidence submitted by the appellant and finds that a reduction in the assessed valuation of the subject property commensurate with the appellant's request is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
