

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Prairie State Bank & Trust
DOCKET NO.: 16-02075.001-C-1
PARCEL NO.: 07-2-11077-000

The parties of record before the Property Tax Appeal Board are Prairie State Bank & Trust, the appellant, by attorney Maureen Faller, of Prairie State Bank & Trust, in Springfield, and the Coles County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Coles** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 4,860
IMPR.: \$56,560
TOTAL: \$61,420

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Coles County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story commercial bank branch of brick and frame exterior construction with 1,858 square feet of building area. The building was constructed in 1997. Features of the structure include a concrete slab foundation, central air conditioning, a vault and asphalt parking for 16 vehicles, two of which are designed for handicapped-designated parking. The property has a .11-acre site also including drive-thru lanes and a drive-up canopy. The property is located in Mattoon, Mattoon Township, Coles County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$185,000 or \$99.57 per square foot of building area, including land, as of January 1, 2016. The appellant also submitted a copy of the decision of the board of review disclosing the subject property had a total assessment of \$94,671 reflecting a market value of \$285,154 or \$153.47 per square foot of

building area, including land, when using the 2016 three-year average median level of assessment for Coles County of 33.20% as determined by the Illinois Department of Revenue.

Based upon the foregoing appraisal evidence, the appellant requested the subject's assessment be reduced.

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value of \$285,154 or \$153.47 per square foot of building area, including land, which is significantly above the appraised value presented by the appellant of \$185,000.

The board of review did not submit any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a).

The Property Tax Appeal Board has examined the evidence submitted by the appellant and finds that a reduction in the assessed valuation of the subject property is warranted commensurate with the appraisal evidence submitted by the appellant.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
