

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William Bechard  
DOCKET NO.: 16-02386.001-R-1  
PARCEL NO.: 06-26-212-016

The parties of record before the Property Tax Appeal Board are William Bechard, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$14,302  
**IMPR.:** \$43,626  
**TOTAL:** \$57,928

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a split-level dwelling of vinyl siding exterior construction with 1,080 square feet of above grade living area. The dwelling was constructed in 1987. Features of the home include a lower level that is partially finished, central air conditioning and a 484 square foot garage. The property has an 8,666 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within the same neighborhood as the subject. The comparables are described as split-level dwellings of vinyl siding exterior construction ranging in size from 1,080 to 1,300 square feet of above grade living area and are situated on sites containing 7,500 square feet of land area each. The dwellings were constructed in 1978 or 1987. Each comparable has a finished lower level, central air conditioning and a

garage ranging in size from 468 to 576 square feet of building area. Two comparables each have a fireplace. The comparables sold from April to October 2015 for prices ranging from \$162,000 to \$206,000 or from \$138.46 to \$181.98 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$57,928. The subject's assessment reflects a market value of \$174,692 or \$161.75 per square foot of living area, land included, when using the 2016 three year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on three comparable sales located within the same neighborhood as the subject property, two of which were also submitted by the appellant. Board of review comparables #2 and #3 are the same as appellant's comparables #2 and #1, respectively. The comparables are described as split-level dwellings of vinyl siding exterior construction ranging in size from 1,080 to 1,176 square feet of above grade living area and are situated on sites containing 7,500 square feet of land area each. The dwellings were constructed in 1986 or 1987. Each comparable has a finished lower level, central air conditioning and a garage ranging in size from 468 to 576 square feet of building area. One comparable has a fireplace. The comparables sold from August 2013 to June 2015 for prices ranging from \$162,000 to \$220,000 or from \$150.00 to \$187.07 per square foot of living area, including land. Based on this evidence, the board of review requested that the subject property's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted four comparable sales for consideration which includes the parties' two common comparables. The Board gave reduced weight to board of review comparable #1 based on its August 2013 sale which is dated and less likely to be reflective of market value as of the subject's January 1, 2016 assessment date.

The Board finds the best evidence of market value for the subject property to be the parties' two common comparables along with appellant's comparable #3. These three comparables sold most proximate in time to the January 1, 2016 assessment date and are similar to the subject in location, dwelling size, age and most features. The comparables sold from April to October 2015 for prices ranging from \$162,000 to \$206,000 or from \$138.46 to \$181.98 per square foot of living area, including land. The subject's assessment reflects a market value of \$174,692 or \$161.75 square foot of living area, including land which falls within the range established by the best comparable sales in the record. After considering any necessary adjustments to the

comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
