

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Charles Pinkham
DOCKET NO.: 16-02387.001-R-1
PARCEL NO.: 06-23-304-004

The parties of record before the Property Tax Appeal Board are Charles Pinkham, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,376
IMPR.: \$65,857
TOTAL: \$82,233

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 2,087 square feet of living area. The dwelling was constructed in 1992. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a 420 square foot garage. The property has an 8,342 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within the same neighborhood code and subdivision as the subject. The comparables are described as two-story dwellings of vinyl siding exterior construction with either 2,070 or 2,087 square feet of living area and are situated on sites ranging in size from 6,600 to 8,101 square feet of land area. The dwellings were constructed from 1991 to 1994. The comparables have basements, with four having finished

area. Each comparable has central air conditioning, a fireplace and a garage with 420 square feet of building area. The comparables sold from June 2015 to April 2016 for prices ranging from \$187,000 to \$239,000 or from \$90.34 to \$115.46 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$82,233. The subject's assessment reflects a market value of \$247,999 or \$118.83 per square foot of living area, land included, when using the 2016 three year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on four comparable sales located within .42 of a mile of the subject property and within the same neighborhood code as the subject property. The comparables are described as two-story dwellings of vinyl siding exterior construction ranging in size from 1,982 to 2,087 square feet of living area and are situated on sites ranging in size from 6,600 to 10,822 square feet of land area. The dwellings were constructed from 1991 to 1994. Each comparable has an unfinished basement, central air conditioning, a fireplace and a garage with either 380 or 420 square feet of building area. The comparables sold from April 2015 to April 2016 for prices ranging from \$232,500 to \$250,000 or from \$113.29 to \$119.79 per square foot of living area, including land. Based on this evidence, the board of review requested that the subject property's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted nine comparable sales for consideration. The Board gave reduced weight to the appellant's comparables #2 through #5 based on their superior finished basements unlike the subject's unfinished basement.

The Board finds the best evidence of market value for the subject property to be appellant's comparable #1 and the board of review comparables. These five comparables sold proximate in time to the January 1, 2016 assessment date and are similar to the subject in location, dwelling size, design, age and features. The comparables sold from April 2015 to April 2016 for prices ranging from \$200,000 to \$250,000 or from \$95.83 to \$119.79 per square foot of living area, including land. The subject's assessment reflects a market value of \$247,999 or \$118.83 square foot of living area, including land which falls within the range established by the best comparable sales in the record. After considering any necessary adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
