

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joseph Gritmacker
DOCKET NO.: 16-02397.001-R-1
PARCEL NO.: 06-15-109-013

The parties of record before the Property Tax Appeal Board are Joseph Gritmacker, the appellant, by attorney Gregory Riggs of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$13,882
IMPR.: \$41,833
TOTAL: \$55,715

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 1,522 square feet of living area. The dwelling was constructed in 1994. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a 525 square foot garage. The property has a 14,749 square foot site and is located in Round Lake Beach, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located within .23 of a mile of the subject property. The comparables were described as two-story dwellings of vinyl siding exterior construction that were built between 1993 and 1995. The dwellings range in size from 1,676 to 2,155 square feet of living area. Each comparable has a basement, with one having finished area, central air conditioning, a fireplace and a garage containing either 441 or 462

square feet of building area. The comparables have sites ranging in size from 6,970 to 7,451 square feet of land area. The comparables sold from March 2015 to May 2016 for prices ranging from \$141,000 to \$192,000 or from \$75.32 to \$102.56 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$55,715. The subject's assessment reflects a market value of \$168,019 or \$110.39 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located within .43 of a mile of the subject property. Board of review comparable #1 is the same property as the appellant's comparable #3. The comparables were described as two-story dwellings of vinyl siding exterior construction built in either 1994 or 1999. The dwellings range in size from 1,542 to 1,739 square feet of living area. The comparables each have a full basement, with one having finished area, central air conditioning and a 420 or 441 square foot garage. In addition, three comparables each have a fireplace. The comparables have sites ranging in size from 6,534 to 7,910 square feet of land area. The comparables sold from August 2014 to December 2016 for prices ranging from \$147,000 to \$189,900 or from \$87.71 to \$113.31 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted eight suggested comparables for the Board's consideration, which includes one common comparable. The Board gave less weight to the appellant's comparables #1 and #2 that have larger dwellings when compared to the subject. The Board also gave less weight to the appellant's comparable #4 and board of review comparable #4 that have superior finished basements unlike the subject. The Board finds board of review comparable #3 sold in 2014 which is dated and less likely to be indicative of the subject's market value as of the January 1, 2016 assessment date.

The Board finds the best evidence of market value to be the parties' common comparable, the appellant's comparable #5 and board of review comparables #2. Although the subject's lot size is superior to the comparables, they sold more proximate in time to the lien date at issue and are similar to the subject in location, dwelling size, design, age and features. These comparables sold from March 2015 to December 2016 for prices ranging from \$141,000 to \$189,900 or from \$80.65 to \$113.31 per square foot of living area, including land. The subject's assessment reflects a market value of \$168,019 or \$110.39 per square foot of living area, including land,

which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparable sales for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
