

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tim Pearson  
DOCKET NO.: 16-02421.001-R-1  
PARCEL NO.: 01-11-407-004

The parties of record before the Property Tax Appeal Board are Tim Pearson, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,435  
**IMPR.:** \$52,995  
**TOTAL:** \$56,430

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a split-level dwelling of frame construction with 1,050 square feet of living area. The dwelling was constructed in 2001. Features of the home include a finished lower level, central air conditioning and a 528 square foot garage. The property has a 14,810 square foot site and is located in Antioch, Antioch Township, Lake County.

The appellant contends assessment inequity as the basis of the appeal. The land assessment was not contested. In support of this argument the appellant submitted information on six equity comparables with varying degrees of similarity to the subject. The comparables had improvement assessments ranging from \$43,751 to \$62,693 or from \$39.82 to \$49.38 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$56,430. The subject property has an improvement assessment of \$52,995 or \$50.47 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables with varying degrees of similarity to the subject. The comparables had improvement assessments ranging from \$48,130 to \$59,567 or from \$47.73 to \$52.43 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be appellant's comparables #1 through #5 and board of review comparables #1, #3 and #4. These comparables had improvement assessments that ranged from \$42.07 to \$52.43 per square foot of living area. The subject's improvement assessment of \$50.47 per square foot of living area falls within the range established by the best comparables in this record. Less weight was given appellant's comparable #6 and board of review comparable #2 based on dissimilar design and/or age. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
