

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michelle Robinson
DOCKET NO.: 16-02433.001-R-1
PARCEL NO.: 14-32-204-031

The parties of record before the Property Tax Appeal Board are Michelle Robinson, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$41,686
IMPR.: \$128,855
TOTAL: \$170,541

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction with 3,066 square feet of living area. The dwelling was constructed in 1986. Features of the home include a partial unfinished basement, central air conditioning, a fireplace and a 672 square foot garage. The property has a 40,351 square foot site and is located in Deer Park, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on nine comparable sales with varying degrees of similarity to the subject. The comparables sold for prices ranging from \$342,000 to \$490,000 or from \$121.62 to \$174.67 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$170,541. The subject's assessment reflects a market value of \$514,297 or \$167.74 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on nine comparable sales with varying degrees of similarity to the subject. One comparable was also utilized by the appellant. The comparables sold for prices ranging from \$487,500 to \$705,000 or from \$174.67 to \$222.40 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 17 comparables for consideration in support of their respective arguments. One comparable was common to both parties. The Board finds the best evidence of the subject's estimated market value is the appellant's comparable sales and board of review comparable sales #2, #3, and #4. After examination of the similarities and differences in the comparables to the subject, the Board finds the best comparable sales in this record sold for prices ranging from \$121.62 to \$205.76 per square foot of living area, including land. The subject's assessment reflects a market value of \$167.74 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Less weight was given board of review comparables #1, #5 and #6 through #9 based on dissimilar size and/or date of sale when compared to the subject and the January 1, 2016 assessment date. A sale in 2014 is not indicative of the subject's market value in 2016. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
