

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rajesh Mandadi  
DOCKET NO.: 16-02438.001-R-1  
PARCEL NO.: 14-36-208-002

The parties of record before the Property Tax Appeal Board are Rajesh Mandadi, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$52,164  
**IMPR.:** \$177,954  
**TOTAL:** \$230,118

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and brick construction with 3,796 square feet of living area. The dwelling was constructed in 1996. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a 791 square foot garage. The property has a 43,279 square foot site and is located in Long Grove, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales with varying degrees of similarity to the subject. The comparables sold for prices ranging from \$545,000 to \$750,000 or from \$136.39 to \$168.62 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$230,118. The subject's assessment reflects a market value of \$693,963 or \$182.81 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales with varying degrees of similarity to the subject. The comparables sold for prices ranging from \$635,000 to \$855,000 or from \$185.51 to \$204.59 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of the subject's estimated market value are board of review comparable sales #1, #3 and #4. After examination of the similarities and differences in the comparables to the subject, the Board finds the best comparable sales in this record sold for prices ranging from \$185.51 to \$204.59 per square foot of living area, including land. The subject's assessment reflects a market value of \$182.81 per square foot of living area, including land, which is below the range established by the best comparable sales in this record. Less weight was given the appellant's comparables and board of review comparable #2 based on dissimilar land size and/or improvement size when compared to the subject. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
