

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jon & Jennifer Groh
DOCKET NO.: 16-02520.001-R-1
PARCEL NO.: 06-17-419-023

The parties of record before the Property Tax Appeal Board are Jon & Jennifer Groh, the appellants; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,856
IMPR.: \$21,189
TOTAL: \$27,045

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of vinyl siding exterior construction with 975 square feet of living area. The dwelling was constructed in 1972. The home features a full unfinished basement. The property has a 5,874 square foot site and is located in Round Lake Beach, Avon Township, Lake County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on six comparable sales located in the same neighborhood number and between .19 of a mile and 1.59 miles from the subject property. The comparables were described as one-story dwellings of wood or vinyl siding exterior construction that were built between 1962 and 1977. The dwellings range in size from 864 to 988 square feet of living area. Three comparables each have unfinished basements, one comparable has central air conditioning and three comparables have garages containing either 440 or 528 square feet of building area. The comparables have sites ranging in size from 4,356 to 7,841 square feet of

land area. The comparables sold from June 2015 to January 2017 for prices ranging from \$34,900 to \$56,100 or from \$35.32 to \$57.87 per square foot of living area, including land. Based on this evidence, the appellants requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$27,045. The subject's assessment reflects a market value of \$81,559 or \$83.65 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located in the same neighborhood number and within .17 of a mile of the subject property. The comparables were described as one-story dwellings of wood or vinyl siding exterior construction built in either 1972 or 1974. The dwellings contain 912 or 975 square feet of living area. Each comparable has a full basement, three of which have finished area. In addition, three comparables have central air conditioning and two comparables each have a 528 or 560 square foot garage. The comparables have sites ranging in size from 4,800 to 6,332 square feet of land area. The comparables sold from February 2015 to May 2016 for prices ranging from \$83,500 to \$88,000 or from \$85.64 to \$93.20 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted ten suggested comparables for the Board's consideration. The Board gave less weight to the appellants' comparables #1, #2 and #6 that are less proximate in location to the subject and have inferior foundations when compared to the subject's basement foundation. The board also gave less weight to the appellants' comparables #2 and #4, along with board of review comparables #2 and #4 that have superior garage features unlike the subject.

The Board finds the best evidence of market value to be the appellant's comparables #3 and #5, along with board of review comparables #1 and #3. These four comparables are similar to the subject in location, dwelling size, design, age and most features. These comparables sold from February 2015 to January 2017 for prices ranging from \$53,000 to \$85,000 or from \$54.36 to \$87.18 per square foot of living area, including land. The subject's assessment reflects a market value of \$81,559 or \$83.65 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparable sales for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
