

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Piedad Hernandez
DOCKET NO.: 16-02823.001-R-1
PARCEL NO.: 08-09-104-018

The parties of record before the Property Tax Appeal Board are Piedad Hernandez, the appellant; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,122
IMPR.: \$22,695
TOTAL: \$29,817

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick exterior construction with 1,247 square feet of living area. The dwelling was constructed in 1959. Features of the home include a full unfinished basement, central air conditioning and a 336 square foot garage. The property has a 5,959 square foot site and is located in Waukegan, Waukegan Township, Lake County.

The appellant contends assessment inequity as the basis of the appeal. The appellant did not contest the land assessment. In support of this argument, the appellant submitted information on four equity comparables located within .19 of a mile of the subject. The comparables are improved with one-story dwellings of brick exterior construction ranging in size from 1,062 to 1,096 square feet of living area. The dwellings were constructed in 1957 or 1959. The comparables have full unfinished basements, three comparables have central air conditioning, one comparable has a fireplace and each comparable has a garage ranging in size from 308 to 572 square feet of building area. The comparables have improvement assessments ranging from

\$18,824 to \$19,774 or \$17.73 to \$18.60 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$29,817. The subject property has an improvement assessment of \$22,695 or \$18.20 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted four equity comparables located within .09 of a mile of the subject property. The comparables are described as one-story dwellings of brick exterior construction containing either 1,200 or 1,312 square feet of living area. The dwellings were constructed in 1960. The comparables have full unfinished basements, two comparables have central air conditioning, one comparable has a fireplace and each comparable has a garage ranging in size from 280 to 480 square feet of building area. The comparables have improvement assessments ranging from \$20,901 to \$25,330 or from \$17.42 to \$19.31 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The Board finds the parties submitted eight equity comparables that are similar to the subject in location, dwelling size, design, age and features. These comparables have improvement assessments ranging from \$18,824 to \$25,330 or from \$17.42 to \$19.31 per square foot of living area. The subject has an improvement assessment of \$22,695 or \$18.20 per square foot of living area, which falls within the range established by the comparables contained in this record. After considering necessary adjustments to the comparables for differences when compared to the subject, the Board finds the subject's improvement assessment is supported and a reduction in the subject's assessment is not justified.

The constitutional provision for uniformity of taxation and valuation does not require mathematical equality. The requirement is satisfied if the intent is evident to adjust the burden with a reasonable degree of uniformity and if such is the effect of the statute enacted by the General Assembly establishing the method of assessing real property in its general operation. A practical uniformity, rather than an absolute one, is the test. Apex Motor Fuel Co. v. Barrett, 20 Ill.2d 395 (1960). Although the comparables presented by the parties disclosed that properties located in the same area are not assessed at identical levels, all that the constitution requires is a practical uniformity, which appears to exist on the basis of the evidence presented.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
