

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: K. Winchel and B. Gossen  
DOCKET NO.: 16-02871.001-R-1  
PARCEL NO.: 07-10-305-012

The parties of record before the Property Tax Appeal Board are K. Winchel and B. Gossen, the appellants, by Michael R. Davies, of the Law Offices of Michael R. Davies, Ltd. in Oak Lawn; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$12,180  
**IMPR.:** \$68,489  
**TOTAL:** \$80,669

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story single-family dwelling of frame exterior construction that has 2,373-square feet of living area. The dwelling was constructed in 1987. Features include a full unfinished basement, central air conditioning, a fireplace, and a 462-square foot garage. The subject has a 10,254-square foot site. The subject property is located in Warren Township, Lake County.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the overvaluation claim, the appellant submitted limited descriptive information for ten comparable sales that were reported to be located from .08 to .36 of a mile from the subject.<sup>1</sup> The comparables were reported to consist of one to two-story

dwellings built from 1987 to 1991 and were reported to have three or four bedrooms and two to four bathrooms. The appellant failed to disclose the comparables' exterior construction, foundation type or features such as central air conditioning, fireplaces and/or garages. The dwellings were reported to range in size from 1,622 to 2,675 square feet of living area and have sites ranging in size from 2,312 to 22,286 square feet of land area. The comparables sold from July 2013 to October 2015 for prices ranging from \$165,000 to \$230,000 or from \$72.08 to \$132.79 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$80,669. The subject's assessment reflects an estimated market value of \$243,272 or \$102.52 per square foot of living area including land when applying the 2016 three-year average median level of assessment for Lake County of 33.16%.

In support of the subject's assessment, the board of review submitted information on four comparable sales located from 0.16 to 0.2 of a mile from the subject. The comparables consist of two-story dwellings of frame exterior construction built in 1987. The comparables each have a basement, two with finished areas, and central air conditioning; three comparables each have a fireplace; and each comparable has a 462-square foot garage. The dwellings contain 2,226 or 2,373 square feet of living area and are situated on sites containing from 9,000 to 17,675 square feet of land area. The comparables sold from April 2015 to November 2016 for prices ranging from \$283,000 to \$325,000 or from \$119.26 to \$146.00 per square foot of living area including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The record contains fourteen comparable sales for the Board's consideration. The Board gave less weight to the comparables submitted by the appellant as seven of those comparables sold from 2013 to 2014, which sales are dated and less indicative of market value as of the subject's January 1, 2016 assessment date. Moreover, the appellant's attorney failed to provide any specifics regarding the comparables' story height, exterior construction, foundation type or features such as central air conditioning, fireplaces and/or garages for a comparative analysis, which further detracts from the weight of the evidence. The Board finds that the board of review comparables sold more proximate in time to the subject's assessment date and are quite similar to the subject in location, age, dwelling size and features. They sold from April 2015 to November 2016 for prices ranging from \$283,000 to \$325,000 or from \$119.26 to \$146.00 per square foot of living area, including land. The subject's assessment reflects an estimated market value of \$243,272 or \$102.52 per square foot of living area, including land, which is below the range established by the most similar comparable sales contained in the record. After considering

any adjustments to the comparables when compared the subject, the Board finds the subject's estimated market value as reflected by its assessment is justified and no reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
